PROXIES/ AUTHORISED REPRESENTATIONS SUBMITTED ON BEHALF OF THE COMPANIES, SOCIETIES ETC., MUST BE SUPPORTED BY AN APPROPRIATE RESOLUTION/AUTHORITY, AS APPLICABLE.
2. The explanatory statement pursuant to Section 102 of the Companies Act, 2013 ('Act') setting out material facts concerning the business under item number 3 to 7 set out above is annexed hereto. The brief details of the director, who are seeking appointment, re-appointment and/ or fixation of remuneration, are provided in the notice as provided under Regulation 36(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('the Listing Regulations') and Secretarial Standard- 2 on General Meetings issued by the Institute of Company Secretaries of India.
3. The Register of Members and the Share Transfer books of the Company will remain closed from Monday, August 31, 2026 to Monday, September 07, 2026 (both days inclusive), for the purpose of Annual General Meeting.
4. Members seeking any information with regard to the Accounts are requested to write to the Company at least seven days prior to the meeting, so as to enable the Management to keep the information ready at the Meeting.
5. All correspondence relating to change of address, dividend mandates etc. should be sent to the Registrar & Share Transfer agents quoting their folio numbers only at the following address:

M/s MUFG Intime India Private Limited (RTA), C-101, 1st Floor, 247 Park, Lal Bahadur Shastri Marg, Vikhroli West, Mumbai 400083, Maharashtra.
6. In terms of Section 124 of the Companies Act, 2013 dividends remaining unpaid or unclaimed for a period of seven years from the date of transfer to the unpaid dividend account of the Company shall be transferred by the Company to the Investor Education and Protection Fund Authority established by the Central Government pursuant to sub-section (1) of Section 125 of the Companies Act, 2013. In terms of Section 124(6) of the Companies Act, 2013, all shares in respect of which

dividend has not been claimed for seven consecutive years or more shall also be transferred by the company to the demat account of Investor Education and Protection Fund Authority. Any claimant of shares transferred as above shall be entitled to claim the transfer of shares from Investor Education and Protection Fund Authority in accordance with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2017. The Members, whose unclaimed dividends/ shares have been transferred to IEPF may claim the same by making an application to the IEPF Authority in web Form No. IEPF-5 (available on www.mca.gov.in).

7. In view of Regulation 40 of the Listing Regulations, as amended, securities of listed companies can now be transferred only in the dematerialized form.

Pursuant to Master SEBI circular dated January 30, 2026, securities of the Company shall be issued in dematerialized form only while processing service requests in relation to issue of duplicate securities certificate, renewal / exchange of securities certificate, endorsement, sub-division / splitting of securities certificate, consolidation of securities certificates/folios, transmission and transposition, claim from unclaimed suspense account.

Members holding shares in physical form are therefore requested to convert their holdings into the dematerialized mode to avoid loss of shares and fraudulent transactions and better investor servicing.

8. The Notice of the AGM along with the Annual Report for the FY 2025-26 is being sent by electronic mode to those Members whose e-mail addresses are registered with the Company/Depositories. A letter is also being sent to the shareholders whose email addresses are not registered, stating the web-link where the Annual Report is uploaded on website. The Company shall send the physical copy of the Annual Report for FY 2025-26 only to those Members who specifically request for the same. To support the 'Green Initiative' the Members who have not registered their e-mail addresses are requested to register the same with RTA/ Depositories.
9. Members may also note that this Notice of the Annual General meeting and the Annual Report for the year 2025-26 will be also available on the Company's Website: www.ecoplastindia.com for download.
10. All documents referred to in the notice of the Meeting and the explanatory statement and other statutory registers shall be available for inspection by the Members at the registered office of the Company during office hours on all working days between 11.00 A.M. and 1.00 P.M. except Saturdays, Sundays and public holidays, from the date hereof up to the date of the Annual General Meeting.
11. A route map giving directions to reach the venue of the 44th Annual General Meeting is given at the end of the Notice.

12. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 (as amended), and the MCA Circulars and the SEBI Circular, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-voting system will be provided by CDSL.
13. Pursuant to Section 72 of the Companies Act, 2013 read with the Companies (Share Capital and Debentures) Rules, 2014, members are entitled to make a nomination in respect of shares held by them in physical form. Shareholders desirous of making a nomination are requested to send their requests in Form No. SH-13 (which will be made available on request) to the Registrar and Share Transfer Agent of the Company.
14. Process and manner for remote e-voting are as under:

THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- Step 1** : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- Step 2** : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.
- (i) The voting period begins on Friday, September 4, 2026 (9.00 AM) and ends on Sunday, September 6, 2026 (5.00 PM). During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Monday, August 31, 2026 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
 - (ii) Voting at the AGM Shall be through physical ballot paper. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue on such resolutions.
 - (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/ NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-voting facility.

- 5) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier e-voting of any company, then your existing password is to be used.
- 6) If you are a first-time user follow the steps given below:

	For physical shareholders other than individual holding shares in Demat form
PAN	Enter your 10-digit alpha-numeric PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) • Shareholders who have not updated their PAN with the Company/ Depository Participant are requested to use the sequence number sent by Company/ RTA or contact Company/ RTA.
Dividend Bank Details OR Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. • If both the details are not recorded with the depository or company, please enter the member id/ folio number in the Dividend Bank details field.

- (vi) After entering these details appropriately, click on “SUBMIT” tab.
- (vii) Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach ‘Password creation’ menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (viii) For shareholders holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.

- (ix) Click on the EVSN for Ecoplast Limited.
- (x) On the voting page, you will see “RESOLUTION DESCRIPTION” and against the same the option “YES/NO” for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xi) Click on the “RESOLUTIONS FILE LINK” if you wish to view the entire Resolution details.
- (xii) After selecting the resolution, you have decided to vote on, click on “SUBMIT”. A confirmation box will be displayed. If you wish to confirm your vote, click on “OK”, else to change your vote, click on “CANCEL” and accordingly modify your vote.
- (xiii) Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.
- (xiv) You can also take a print of the votes cast by clicking on “Click here to print” option on the voting page.
- (xv) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password and enter the details as prompted by the system.
- (xvi) There is also an optional provision to upload BR/POA if any uploaded, which will be made available to scrutinizer for verification.
- (xvii) **Additional Facility for Non – Individual Shareholders and Custodians – Remote Voting only.**
- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodians are required to log on to www.evotingindia.com and register themselves in the “Corporates” module.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Item No. 3

The Members of the Company had appointed Mr. Jaymin B. Desai as Managing Director of the Company for a period of 3 years with effect from October 1, 2024 to September 30, 2027 on the terms and conditions of appointment and payment of remuneration as set out in the resolution passed by the Members at the 42nd Annual General Meeting ("AGM") held on August 16, 2024. The Shareholders delegated power to the Board of Directors (which expression shall also include the Nomination and Remuneration Committee and Audit Committee) to grant the increments and to alter and vary the terms and conditions of the appointment, within the limits approved by the Members.

However, the proposed revision in remuneration exceeds the limits of the authority delegated to the Board of Directors and therefore requires approval of the Members.

The Hon'ble National Company Law Tribunal, Ahmedabad, vide its order dated May 14, 2026 approved the Scheme of Amalgamation of M/s. Kunal Plastics Private Limited with the Company. Pursuant to the said merger, the scale of business operations of the Company has increased substantially, along with a significant rise in the volume and scale of multilocation activities handled by the Key Managerial Personnel. Accordingly, based on the recommendations of the Nomination and Remuneration Committee and the Audit Committee and considering the enhanced scale of operations, increased responsibilities borne by the Managing Director and prevailing industry standards, the Board of Directors of the Company has recommended the revision in remuneration of Mr. Jaymin B. Desai, Managing Director, with effect from June 1, 2026, for the remaining tenure of his appointment.

The terms of remuneration payable to Mr. Jaymin B. Desai, Managing Director are set out below:

1. Basic Salary of Rs. 9,89,218/- per month with such increments, effective 1st April every year, as may be decided by the Board of Directors of the company within the scale of 7% to 10% per year, during the tenure of his appointment.
2. Perquisites: Mr. Jaymin B. Desai shall also be entitled to the following perquisites as per the Rules of the Company:
 - i. Leave Travel Allowance of Rs. 1,00,000/- per month with such increments, effective 1st April every year, as may be decided by the Board of Directors of the company within the scale of 7% to 10% per year, during the tenure of his appointment.
 - ii. Medical Allowance of Rs. 1,00,000/- per month with such increments, effective 1st April every year, as may be decided by the Board of Directors of the company within the scale of 7% to 10% per year, during the tenure of his appointment.

- iii. Other Allowance of Rs. 4,83,336/- per month with such increments, effective 1st April every year, as may be decided by the Board of Directors of the company within the scale of 7% to 10% per year, during the tenure of his appointment.
- iv. Company's contribution to Provident Fund 12% of the monthly basic salary.
- v. Company's contribution to Super Annuation Fund 15% of the monthly basic salary.
- vi. Mediclaim and Personal Accident insurance Policy as per the Company's rules.
- vii. Provision for car including driver's salary and telephone at the residence of the Managing Director and mobile phone for the business of the Company shall not be treated as perquisites.
- viii. Reimbursement of entertainment, traveling and other expenses actually and properly incurred in the course of business of the Company.

The value of the perquisites shall be evaluated as per Income-tax Rules wherever applicable. In the absence of such rules, perquisites will be evaluated at cost.

Wherein any financial year during the currency of the tenure of Mr. Jaymin B. Desai, Managing Director, the Company has made no profits or its profits are inadequate, the Company shall pay to Mr. Jaymin B. Desai the above remuneration as minimum remuneration subject to the ceiling limit prescribed in Schedule V to the Companies Act, 2013.

Mr. Jaymin B. Desai shall also be entitled to the following perquisites which shall not be included in the computation of the ceiling on remuneration specified herein above:

- i. Gratuity payable at the rate not exceeding half a month's Salary for each completed year of service.
- ii. Encashment of un-enjoyed leave as per the Company's rules at the end of his tenure as Managing Director.

All income tax and other impositions, if any, in respect of Mr. Jaymin B. Desai's remuneration shall be calculated by the Company and deducted in accordance with the applicable provisions of the Income tax law for the time being in force.

Pursuant to Regulation 17 of Securities and Exchange Board of India (Listing Obligations and Disclosures Requirement) Regulations, 2015 requires the listed entities to avail approval of shareholders by way of Special Resolution for payment of annual remuneration to promoter executive Director which exceeds Rs. 5 crore or 2.5 per cent of the net profits of the listed entity, whichever is higher; or where there is more than one such Director, the aggregate annual remuneration to such Directors exceeds 5 per cent of the net profits of the listed entity.

All other terms and conditions of his appointment as approved by the Company in general meeting remain unchanged.

Further Pursuant to the provisions of section 196, 197, 198, 203 of the Act read with rules made thereunder and Schedule V of the Act, and other applicable provisions of SEBI Listing Regulations, the revision in payment of remuneration to Mr. Jaymin B. Desai is subject to the approval of shareholders by way of special resolution.

Accordingly, the Board of Directors recommends Resolution at item No. 3 as a Special Resolution for approval of the members.

Mr. Jaymin B. Desai is interested in resolution at Item No. 3 which pertains to revision in his remuneration. Mr. Jay Ketan Shroff, Whole-time Director of the company may be deemed to be interested in this resolution as he is relative of Mr. Jaymin B. Desai.

Save and except the above, none of the other Directors, KMPs, and their relatives are in any way concerned or interested, financially or otherwise in the above resolutions.

Item No. 6

The Members of the Company had appointed Mr. Ravi Amulbhai Mehta as Whole-time Director of the Company for a period of 3 years with effect from June 1, 2024 to May 31, 2027 on the terms and conditions of appointment and payment of remuneration as set out in the resolution passed by the Members at the 42nd Annual General Meeting ("AGM") held on August 16, 2024. The Shareholders delegated power to the Board of Directors (which expression shall also include the Nomination and Remuneration Committee and Audit Committee) to grant the increments and to alter and vary the terms and conditions of the appointment, within the limits approved by the Members.

However, the proposed revision in remuneration exceeds the limits of the authority delegated to the Board of Directors and therefore requires approval of the Members.

The Hon'ble National Company Law Tribunal, Ahmedabad, vide its order dated May 14, 2026 approved the Scheme of Amalgamation of M/s. Kunal Plastics Private Limited with the Company. Pursuant to the said merger, the scale of business operations of the Company has increased substantially, along with a significant rise in the volume and scale of multilocation activities handled by the Key Managerial Personnel. Accordingly, based on the recommendations of the Nomination and Remuneration Committee and the Audit Committee and considering the enhanced scale of operations, increased responsibilities borne by the Whole-time Directors and prevailing industry standards, the Board of Directors of the Company has recommended the revision in remuneration of Mr. Ravi Amulbhai Mehta, Whole-time Director, with effect from June 1, 2026, for the remaining tenure of his appointment.

The terms of remuneration payable to Mr. Ravi Amulbhai Mehta, Whole-time Director are set out below:

1. Basic Salary of Rs. 3,20,200/- per month with such increments, effective 1st April every year, as may be decided by the Board of Directors of the company within the scale of 7% to 15% per year, during the tenure of his appointment.

2. Perquisites: In addition to the aforesaid salary Mr. Ravi Amulbhai Mehta shall also be entitled to the following perquisites:
- i. House Rent Allowance of Rs. 1,33,000/- per month with such increments, effective 1st April every year, as may be decided by the Board of Directors of the company within the scale of 7% to 15% per year, during the tenure of his appointment
 - ii. Conveyance Allowance of Rs. 5,550/- per month with such increments, effective 1st April every year, as may be decided by the Board of Directors of the company within the scale of 7% to 15% per year, during the tenure of his appointment.
 - iii. Leave Travel Allowance of Rs. 22,000/- per month with such increments, effective 1st April every year, as may be decided by the Board of Directors of the company within the scale of 7% to 15% per year, during the tenure of his appointment.
 - iv. Medical Allowance of Rs. 5,270/- per month with such increments, effective 1st April every year, as may be decided by the Board of Directors of the company within the scale of 7% to 15% per year, during the tenure of his appointment.
 - v. Education Allowance of Rs. 3,200/- per month with such increments, effective 1st April every year, as may be decided by the Board of Directors of the company within the scale of 7% to 15% per year, during the tenure of his appointment.
 - vi. Hostel Education Allowance of Rs. 9,550/- per month with such increments, effective 1st April every year, as may be decided by the Board of Directors of the company within the scale of 7% to 15% per year, during the tenure of his appointment.
 - vii. Company's contribution to Provident Fund 12% of the monthly basic salary.
 - viii. Company's contribution to Super Annuation Fund 15% of the monthly basic salary.
 - ix. Company's contribution to National Pension Scheme 10% of the basic salary.
 - x. Bonus as per Company rules.
 - xi. Reimbursement of car fuel and driver's salary as actual.
 - xii. Mediclaim and Personal Accident Policy as per Company's rules.
 - xiii. Reimbursement of entertainment, traveling and other expenses actually and properly incurred in the course of business of the Company.

The value of the perquisites shall be evaluated as per Income-tax Rules wherever applicable. In the absence of such rules, perquisites will be evaluated at actual cost.

Where in any financial year during the currency of the tenure of Mr. Ravi Amulbhai Mehta as the Whole-time Director, the Company has made no profits or its profits are inadequate, the Company shall pay to the Whole-time Director, the above salary and perquisites, as Minimum Remuneration including time-to-time increments subject to the ceiling limits provided in Schedule V of the Companies Act, 2013.

The Whole-time Director shall also be entitled to the following perquisites which shall not be included in the computation of the ceiling on remuneration specified herein above:

- i. Gratuity payable at the rate not exceeding half a month's salary for each completed year of service.
- ii. Encashment of un-enjoyed leave as per the Company's rules at the end of his tenure as Whole-time Director.

All income tax and other impositions, if any, in respect of Mr. Ravi Amulbhai Mehta's remuneration shall be calculated by the Company and deducted in accordance with the applicable provisions of the Income-tax law for the time being in force.

All other terms and conditions of his appointment as approved by the Company in general meeting remain unchanged.

Further Pursuant to the provisions of section 196, 197, 198, 203 of the Act read with rules made thereunder and Schedule V of the Act, and other applicable provisions of SEBI Listing Regulations, the revision in payment of remuneration to Mr. Ravi Amulbhai Mehta is subject to the approval of shareholders by way of special resolution.

Accordingly, the Board of Directors recommends Resolution at item No. 6 as a Special Resolution for approval of the members.

None of the Directors, KMPs, and their relatives except Mr. Ravi Amulbhai Mehta are in any way concerned or interested, financially or otherwise in the above resolution.

During the year under review, the Company achieved revenue from operations of Rs. 221.08 crs as compared to Rs. 207.78 crs in the previous year. The Company earned a net profit of Rs. 11.98 crs as compared to Rs. 13.77 crs in the previous year.

Particulars (Rs. in lacs)	FY 2025-26	FY 2024-25
Revenue from Operations	22,108.23	20,778.26
Total Income	22,487.48	21,123.77
Operating Profit (before depreciation & tax)	2,168.52	2,401.15
Profit Before Tax	1,597.16	1,890.07
Profit After Tax	1,198.12	1,377.01

As noted above, the financial results for FY 2025-26, together with the comparative figures for FY 2024-25, are presented on a merged basis pursuant to the NCLT-sanctioned merger of Kunal Plastics Private Limited with the company, effective from the appointed date of April 1, 2025.

Kunal Plastics Pvt Ltd, a sister concern, is one of the largest manufacturers of PE Bags in India, offering a diverse range of bags catering to a wide array of applications. Its client base includes numerous MNCs serving the hygiene sector in India. We also have exports into the United States and African markets catering to the hospitality and food industry respectively. With this merger, all the business and operating entities within the group now stand consolidated under Ecoplast Limited.

Increased trade tariffs announced by the USA on India, and the resulting uncertainty, affected export orders and realizations during the year. The Company is responding by concentrating its efforts on developing new customers across other export markets. In parallel, the Company maintained a strong focus on developing higher-value added products.

In the last quarter of the year, the escalation of conflict in West Asia significantly affected the availability and pricing of raw materials, impacting both margins and demand. The Company is mitigating this risk by securing its raw material supply chains to ensure uninterrupted production and delivery, amid ongoing global supply-chain uncertainty, and to ensure hassle-free supply of finished goods to its customers.

The Board of Directors of the Company at its meeting held on December 14, 2024, has approved the scheme of amalgamation of Kunal Plastics Private Limited (Transferor Company) with Ecoplast Ltd (Transferee Company), subject to the necessary regulatory approvals. On May 14, 2026 the NCLT has sanctioned the Scheme, with appointed date as April 1, 2025 and on May 27, 2026 the Company has received certified true copy of the said order. The Scheme is effective from May 28, 2026 i.e. upon filing the same with Registrar of Companies, Ahmedabad, by both the companies.

No material changes have occurred from the end of the financial year till the date of this report affecting the Company's financial position.

No significant and material orders have been passed by the regulators or Courts or Tribunals impacting the going concern status and the company's operations in the future during the year under review.

There has been no change in the nature of the Business of the Company during the year.

DIVIDEND:

The Board of Directors, after thorough consideration of the Company's financial aspects and ongoing projects, has prudently decided not to recommend a dividend for the financial year 2025-26.

TRANSFER OF AMOUNTS TO RESERVES:

The Company was not required to transfer any amount to any reserve during the financial year.

BOARD MEETINGS:

The Board of Directors met 9 (nine) times during the financial year 2025-26. The dates of the Board meetings have been mentioned in the Corporate Governance Report which forms part of this report.

DIRECTORS AND KEY MANAGERIAL PERSONNEL:

Based on the recommendation of the Nomination and Remuneration Committee (NRC) and the Board, and in accordance with the provisions of the Act and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), Ms. Priyal Saurabh Vora (DIN: 09374896) was appointed as an Additional Director (Independent) of the Company by the Board of Directors on May 27, 2025, for a term of 5 years commencing from June 01, 2025 to May 31, 2030. The said appointment of Ms. Priyal Saurabh Vora as an Independent Director (ID) was approved by the Members at the AGM held on August 12, 2025.

Based on recommendation of NRC, Board and in accordance with provisions of the Act and Listing Regulations, Mr. Jayesh Jashvantlal Shah (DIN: 00260876) was appointed as an Additional Director (Independent) of the Company by the Board of Directors on January 01, 2026, for a term commencing from January 01, 2026 up to December 31, 2030. The said appointment of Mr. Jayesh Jashvantlal Shah as an Independent Director (ID) was approved by the Members on February 07, 2026 by way of Postal Ballot.

Based on recommendation of NRC, Board and in accordance with provisions of the Act and Listing Regulations, Mr. Jay Ketan Shroff (DIN: 07712312) appointed as a Whole-time Director of the Company w.e.f. January 01, 2026, for a period of three years with effect from January 01, 2026 to December 31, 2028. The said appointment of Mr. Jay Ketan Shroff as Whole-time Director was approved by the Members on February 07, 2026 by way of Postal Ballot.

Mr. Ravi Amulbhai Mehta (DIN: 09220091), Director of the Company would retire by rotation, at the ensuing Annual General Meeting and being eligible offers herself for re-appointment. The resolution seeking Members' approval for his re-appointment forms part of the Notice.

Mr. Dhananjay T. Desai (DIN- 00049574) ceased to be an Independent Director of the Company with effect from the close of business hours on September 11, 2025, consequent

to the completion of his second term of five years. The Board appreciates his association and valuable contributions during his tenure and extends its best wishes for his future endeavors.

INDEPENDENT DIRECTORS:

In terms of Section 149 of the Act, Mr. Bikash Ranjan Tarafdar, Mr. Monil Vijay Shah, Mrs. Priyal Saurabh Vora and Mr. Jayesh Jashvantlal Shah are the IDs of the Company as on the date of this Report. FORM No. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2026

(Pursuant to Section 204 (1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014)

To,
The Members,
Ecoplast Limited

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Ecoplast Limited (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company, to the extent the information provided by the company, its officers, agents and authorised representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representations made by the Management and considering the relaxations granted by the Ministry of Corporate Affairs and Securities and Exchange Board of India, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on March 31, 2026 generally complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records made available to us and maintained by the Company for the financial year ended on March 31, 2026 according to the provisions of:

- (i) The Companies Act, 2013 ('the Act') and the rules made thereunder;

Management Discussion and Analysis

Ecoplast Limited is one of India's leading manufacturer and supplier of premium lamination and surface protection films in India. Ecoplast Ltd. specializes in producing high-quality, multilayer coextruded polyethylene and co-polymer films with an annual capacity of 9600 MT.

Since its inception in 1981, the Company had played a major role in the development of the flexible packaging industry in India by supplying lamination grade films. However, in view of poor margins and fierce competition in the commodity lamination business, the company transitioned into only Value-added product business. Since 2024 the focus has been shifted to specialty films, adhesive films and surface protection films and the export market.

Since over more than four decades, the Company has been setting standards on high quality and innovation and currently serve following applications: -

- Film for Aluminum Composite Panel.
- Films for Surface Protection
- Films for specialty applications

Currently, we also export products to developing and developed countries.

Key strengths:

- Designing capabilities that create and sustain market differentiation.
- State-of-the-art and integrated manufacturing, printing, and converting capabilities.
- An engaged and experienced team.

Global economic overview:

Global growth is projected to remain resilient at 3.3 percent in 2026 and at 3.2 percent in 2027: rates similar to the estimated 3.3 percent outturn in 2025. The forecast marks a small upward revision for 2026 and no change for 2027 compared with that in the October 2025 World Economic Outlook (WEO). This steady performance on the surface results from the balancing of divergent forces. Headwinds from shifting trade policies are offset by tailwinds from surging investment related to technology, including artificial intelligence (AI), more so in North America and Asia than in other regions, as well as fiscal and monetary support, broadly accommodative financial conditions, and adaptability of the private sector. Global headline inflation is expected to decline from an estimated 4.1 percent in 2025 to 3.8 percent in 2026 and further to 3.4 percent in 2027. The inflation projections are also broadly unchanged from those in

October and envisage inflation returning to target more gradually in the United States than in other large economies.

Risks to the outlook remain tilted to the downside. Revaluation of productivity growth expectations about AI could lead to a decline in investment and trigger an abrupt financial market correction, spreading from AI-linked companies to other segments and eroding household wealth. Trade tensions could flare up, prolonging uncertainty and weighing more heavily on activity. Domestic political tensions or geopolitical tensions could erupt, introducing new layers of uncertainty and disrupting the global economy through their impact on financial markets, supply chains, and commodity prices. Larger fiscal deficits and high public debt could put pressure on long-term interest rates and, in turn, on broader financial conditions. On the upside, activity could be further lifted by AI-related investment and eventually transform into sustainable growth if faster AI adoption translates into strong productivity gains and increased business dynamism. Activity could also be supported by a sustained easing in trade tensions. Policies to foster stability and sustainably lift medium-term growth prospects require a keen focus on restoring fiscal buffers, preserving price and financial stability, reducing uncertainty, and implementing structural reforms without further delay.

Indian economy:

Indian, as the world's largest democracy possesses a rich and diverse cultural heritage, encompassing numerous languages, traditions, and communities that reflect its unique unity in diversity.

The country continues to attract significant global investments owing to its diversified industrial base, expanding consumer market, favourable investment climate, ongoing infrastructure development, and progressive government reforms. Its large and predominantly young population remains a key driver of domestic demand while providing a vast and skilled workforce to support economic growth.

India has established itself as one of the world's fastest-growing major economies and is expected to remain among the leading global economic powers over the coming decades. Supported by strong macroeconomic fundamentals, rapid digital transformation, resilient domestic consumption, increasing manufacturing capabilities, and strategic global partnerships, the country continues to strengthen its position as a preferred destination for investment and sustainable long-term growth.

Domestic economic activity remains resilient, supported by robust private consumption and continued expansion in fixed investment, even as the external environment remains uncertain. Favourable agricultural prospects, steady services activity, elevated capacity utilisation and healthy balance sheets of corporates and banks are likely to underpin growth going forward. Continued public investment in infrastructure and recently concluded trade agreements are also expected to be conducive for medium-term growth prospects.

Headline inflation, which had declined sharply during the second half of 2025 on account of food price deflation, has begun to normalise under the revised Consumer Price Index series. Core inflation remains moderate, indicating that underlying price pressures are contained. Inflation is projected to firm up gradually during 2026-27 as base effects wane and food prices normalise, while remaining within the tolerance band over the medium term. Longer-term inflation expectations of professional forecasters remain anchored at around 4 per cent.

At the same time, risks to the outlook persist. Movements in crude oil prices and exchange rate developments warrant continued vigilance. Geopolitical tensions, volatility in global financial markets, uncertainty surrounding global trade policies and weather-related disruptions could pose headwinds to growth and inflation. The adverse impact of the conflict in West Asia is reflected in the forecasts on growth and inflation – while inflation is projected to increase albeit remaining within the tolerance band, growth is expected to moderate. Over the medium-term, the growth-inflation dynamics would be conditional on when the supply chain is fully restored as well as where energy prices settle after the end of the West Asia conflict. At the current juncture, the situation is highly uncertain and would require continuous assessment of the developments to frame the appropriate policy response. Overall, India's strong macroeconomic fundamentals and existing buffers provide resilience in the face of destabilizing geopolitical developments and rising uncertainties.

Industry overview:

Indian Industry

Demand of plastic for industrial applications especially for aluminum composite panel and surface Protection Film, will largely depend upon the revival of infrastructure projects as well as reality sector, where the consumption is large. The Government has declared various fiscal and non-fiscal packages for the revival of these sectors.

Opportunity:

- **Growing Importance of Surface Protection Films**

As a well-established and recognised manufacturer of surface protection films, the Company is well positioned to benefit from the rising demand for this category. Surface protection films are increasingly indispensable across manufacturing processes such as cutting, bending, and deep-drawing, as well as in withstanding the rigours of mechanical handling during production and transportation – a trend that continues to strengthen the Company's core market.

- **Glue-less Films – A First-Mover Advantage:**

The Company was the first in India to establish glue-less film manufacturing capability, introducing a product free of adhesives to the domestic market. While building customer awareness and stabilising the customer base took time, the product is now witnessing strong and growing acceptance, positioning the Company favorably to capture the next phase of adoption.

- **Rising Demand for Personal Hygiene Products:**

Rising disposable incomes and growing awareness are driving substantial growth in the adoption of personal hygiene products such as baby diapers and sanitary napkins. This structural, consumption-led trend represents a significant growth multiplier for the Company going forward.

- **Substantial Export Potential:**

The Company's products are well accepted in international markets and compete effectively with global players. With the "China+1" sourcing theme continuing to gain momentum among global buyers, the Company sees substantial and growing headroom to expand its export footprint.

Threat:

- **Rising input costs**

Resins and adhesives, among the principal raw materials used across the packaging industry, remain exposed to volatility in crude oil prices.

- **Domestic Competition**

A small number of domestic players have entered the surface protection films market, gradually increasing competitive intensity.

- **Export Tariffs**

With the USA being a key export market, additional tariffs on Indian products pose a meaningful risk to export realizations and order flow.

Operational Performance Review:

During the year under review, the Company achieved revenue from operations of Rs. 221.08 crs as compared to Rs. 207.78 crs in the previous year. The Company earned a net profit of Rs. 11.98 crs as compared to Rs. 13.77 crs in the previous year.

Particulars (Rs. in lacs)	FY 2025-26	FY 2024-25
Revenue from Operations	22,108.23	20,778.26
Total Income	22,487.48	21,123.77
Operating Profit (before depreciation & tax)	2,168.52	2,401.15
Profit Before Tax	1,597.16	1,890.07
Profit After Tax	1,198.12	1,377.01

As noted above, the financial results for FY 2025-26, together with the comparative

figures for FY 2024-25, are presented on a merged basis pursuant to the NCLT-sanctioned merger of Kunal Plastics Private Limited, effective from the appointed date of April 1, 2025.

Kunal plastics pvt ltd, a sister concern, is one of the largest manufacturers of PE Bags in India, offering a diverse range of bags catering to a wide array of applications. Its client base includes numerous MNCs serving the hygiene sector in India. We also have exports into the United States and African markets catering to the hospitality and food industry respectively. With this merger, all the business and operating entities within the group now stand consolidated under Ecoplast Limited.

Increased trade tariffs announced by the USA on India, and the resulting uncertainty, affected export orders and realizations during the year. The Company is responding by concentrating its efforts on developing new customers across other export markets. In parallel, the Company maintained a strong focus on developing higher-value added products.

In the last quarter of the year, the escalation of conflict in West Asia significantly affected the availability and pricing of raw materials, impacting both margins and demand. The Company is mitigating this risk by securing its raw material supply chains to ensure uninterrupted production and delivery, amid ongoing global supply-chain uncertainty, and to ensure hassle-free supply of finished goods to its customers.

The Synergy Films Private Limited, wholly owned subsidiary of the Company has shut down its operations w.e.f. 7th December 2019 for being economically unviable. The Board of Directors of the Company in its meeting held on May 22, 2024, approved the winding up/ closure of subsidiary, subject to approval of relevant regulatory authorities.

Outlook:

Since 2024, the Company has committed more than ₹ 75 crores towards a series of greenfield and brownfield expansions, significantly reinforcing its manufacturing capabilities for the years ahead. The combined annual production capacity will go up from ~9000 MTPA (2024) to ~13600 MTPA after full expansion is commissioned. The final tranche of machinery is currently being installed and is on track for commissioning by the end of the second quarter of FY 2026-27.

Together with the successful completion of the Kunal Plastics pvt ltd merger with the company, this expanded capacity, places the Company firmly on track to capitalize on a meaningfully broadened product portfolio spanning surface protection films, specialty films and PE bags, with the benefits expected to start flowing through progressively over the course of FY 2026-27.

The Company remains sharply focused on deepening and diversifying its export markets in response to evolving tariff developments, while proactively monitoring raw material availability and pricing amid ongoing geopolitical uncertainty.

Backed by its expanded scale, broadened portfolio and disciplined execution, the Company is well positioned to sustain its growth momentum in the year ahead.

Segment information:

The Company's sole business segment is Plastic Films and all activities are incidental to this sole business segment. The Company services its domestic and export markets from India only.

Risks and Concern:

The Company's risk management is an integral part of how to plan and execute its business strategies. The Company's business activities are exposed to a variety of risks, namely liquidity risk, market risks, commodity risk and credit risk. The Company's senior

management has the overall responsibility for establishing and governing the Company's risk management framework. The Company's risk management policies are established to identify and analyze the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Audit Committee of the Company.

i. Credit risk:

Credit risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer and including the default risk of the industry, also has an influence on credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the credit-worthiness of customers to which the Company grants credit terms in the normal course of business.

ii. Liquidity risk:

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time, or at a reasonable price. Ultimate responsibility for liquidity risk management rests with the Board of Directors, which has built an appropriate liquidity risk management framework for the management of the Company's short, medium and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities.

iii. Market risk:

Market risk is the risk that changes in market prices- such as foreign exchange rates, interest rates and equity prices- will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return. The Company operates internationally and portion of the business is transacted in several currencies. Consequently, the Company is exposed to foreign exchange risk through its sales and services in overseas and purchases from overseas suppliers in various foreign currencies. Exports of the company are significantly lower in comparison to its imports. The exchange rate between rupee and foreign currency has changed substantially in recent years and may fluctuate substantially in future. Consequently, the results of the Company's operation are adversely affected as the rupee appreciates/ depreciates against these currencies.

iv. Commodity Risk:

Principal Raw Material for Company's products is variety of plastic polymers which are Derivatives of Crude Oil. Company sources its raw material requirement primarily from US Middle East and Europe. Domestic market prices are also generally remains in sync

with international market price scenario. Volatility in Crude Oil prices, Currency fluctuation of Rupee vis-à-vis other prominent currencies coupled with demand-supply scenario in the world market affect the effective price and availability of polymers for the Company. The Company effectively manages with availability of material as well as price volatility through:

1. Widening its sourcing base.
2. Appropriate contracts and commitments.
3. Well planned procurement and inventory strategy.

Internal Financial Control Systems:

The Company's internal financial control systems are commensurate with the nature of its business and the size and complexities of its operations. These systems are designed to ensure that all assets of the Company are safeguarded and protected against any loss and that all transactions are properly authorized, recorded and reported.

Human Resources

It is your Company's belief that people are at the heart of corporate purpose and constitute the primary source of sustainable competitive advantage. Your Company's belief in trust, transparency and team work improved employee productivity at all levels. The Company has 244 employees on its payroll.

Cautionary Statement:

Certain statements made in the Management Discussion and Analysis Report relating to the Company's objectives, projections, outlook, expectations, estimates and others may constitute 'forward looking statements' within the meaning of applicable laws and regulations. Actual results may differ from such expectations, projections and so on whether express or implied. Several factors could make significant difference to the Company's operations. These include climatic conditions and economic conditions affecting demand and supply, government regulations and taxation, natural calamities and so on over which the Company does not have any direct control.

**PRACTISING COMPANY SECRETARIES' CERTIFICATE ON CORPORATE
GOVERNANCE**

**TO THE MEMBERS OF
ECOPLAST LIMITED**

We have examined the compliance of the conditions of Corporate Governance by Ecoplast Limited ('the Company') for the year ended on March 31, 2026, as stipulated under Regulations 17 to 27, clauses (b) to (i) and (t) of sub-regulation (2) of Regulation 46 and para C, D & E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations").

The compliance of the conditions of Corporate Governance is the responsibility of the management. Our examination was limited to the review of procedures and implementation thereof, as adopted by the Company for ensuring compliance with conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, and the representations made by the Directors and the management, subject to the disclosures made by the management in the Corporate Governance Report and to the stock exchanges and considering the relaxations granted by the Ministry of Corporate Affairs and Securities and Exchange Board of India, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations for the year ended on March 31, 2026.

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Independent Auditor's Report

**To
The Members of
Ecoplast Limited**

Report on the Audit of the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **ECOPLAST LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of Matter

We draw attention to Note no.40 of the Financial Statement which describes the scheme of amalgamation. As explained in detail therein, these Standalone Financial Results for the quarter and year ended 31st March, 2026 have been prepared pursuant to the Composite Scheme of Amalgamation (merger by absorption) ('the Scheme') for merger of Kunal Plastics Private Limited. ("the Transferor Company"), with and into the Company, from the specified retrospective appointed date (1st April, 2025), as approved by the National Company Law Tribunal (NCLT), Ahmedabad Bench vide its order dated 14th May, 2026 ("the Order"). The Scheme is effective from 28 May, 2026 upon filing the same with the Register of Companies, Ahmedabad. As per the requirements of Appendix C to Ind AS 103 "Business Combination", the merger has been given effect to as if it had occurred from the beginning of the preceding period (i.e. 1st April, 2025) in the Standalone Financial Statements.

Our opinion is not modified in respect of above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our

audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

We did audit the financial statements of the Transferor Company included in the Statement and whose financial statements reflect total gross assets of Rs 4146.80 Lakhs as at 31st March, 2026 and total gross revenue of Rs.8060.39 lakhs and total comprehensive income of Rs.255.70 lakhs for the year ended 31st march, 2026 respectively. Further, we have audit the financial information of the Transferor Company included in the Statement for the quarter ended 31st March, 2026 and 31st December, 2025.

However, we did not audit the financial statements of the Transferor Company included in the Statement and whose financial statements reflect total gross assets of Rs. 4345.38 Lakhs as at 31st March, 2025 and total gross revenue of Rs.8379.26 lakhs and total comprehensive income of Rs.522.54 lakhs for the year ended 31st March, 2025 respectively. Further, we have not reviewed the financial information of the Transferor Company included in the Statement for the quarter ended 31st March, 2025.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.

- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure A**”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. Based on such examination, representations given by the management as per the requirements of Rule 11(e)(i) and (ii), nothing has come to our notice that has caused us to believe that the above-mentioned representations contain any material misstatement.
 - v. The Company has not declared dividend during the year under consideration, therefore compliance with section 123 of the Companies Act, 2013 is not applicable.
 - vi. Based on our examination, which includes test checks, the company has used accounting software for maintaining its books of account for the financial year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "**Annexure B**" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of ECOPLAST LIMITED of even date)

Report on the Internal Financial Controls with reference to standalone Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to standalone Financial Statements of ECOPLAST LIMITED (the “Company”) as of March 31, 2026 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Emphasis of Matter

We draw attention to Note no.40 of the Financial Statement which describes the scheme of amalgamation. As explained in detail therein, these Standalone Financial Results for the quarter and year ended 31st March, 2026 have been prepared pursuant to the Composite Scheme of Amalgamation (merger by absorption) (‘the Scheme’) for merger of Kunal Plastics Private Limited. (‘the Transferor Company’), with and into the Company, from the specified retrospective appointed date (1st April, 2025), as approved by the National Company Law Tribunal (NCLT), Ahmedabad Bench vide its order dated 14th May, 2026 (‘the Order’). The Scheme is effective from 28 May, 2026 upon filing the same with the Register of Companies, Ahmedabad. As per the requirements of Appendix C to Ind AS 103 “Business Combination”, the merger has been given effect to as if it had occurred from the beginning of the preceding period (i.e. 1st April, 2025) in the Standalone Financial Statements.

Our opinion is not modified in respect of above matter.

Management's Responsibility for the Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent

applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone Financial Statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control with reference to standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to standalone Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to standalone Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone Financial Statements to future periods are subject to the risk that the internal financial with reference to standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to standalone Financial Statements and such internal financial controls with reference to standalone Financial Statements were operating effectively as at March 31, 2026, based on the criteria for internal financial control with reference to standalone Financial Statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Ecoplast Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of Audit, we state that:

- i. In respect of the Company's Property, Plant and Equipment and Intangible Assets
 - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
(B) The Company has maintained proper records showing full particulars of intangible assets.
 - (b) The Company has a program of physical verification of Property, Plant and Equipment and right-of-use assets so to cover all the assets once every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) Based on our examination of the property tax receipts for land on which building is constructed, registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title in respect of self-constructed buildings and title deeds of all other immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in the financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.
 - (d) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii.
 - (a) The management has conducted physical verification of inventory at reasonable intervals during the year and no material discrepancies were noticed on such physical verification.
 - (b) The Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from bank on the basis of security of current assets, and the quarterly returns or statements filed by the company with such bank is in agreement with the books of account of the Company.
- iii. The Company has not made any investments in, companies, firms, Limited Liability Partnerships, and not granted any unsecured loans to other parties, during the year, in respect of which:

- (a) The company has not provided any loans or advances during the year, and no outstanding balance, including interest due, exists as of the balance sheet date in relation to such loans or advances to its subsidiary.
- (b) In our opinion, since the company has not made any investments, reporting on iii(b) regarding the terms and conditions of loans granted during the year, and whether they are prima facie prejudicial to the company's interest, is not applicable.
- (c) Since the company has not provided any loans, reporting on iii(c) regarding the stipulated schedule for repayment of principal and interest, as well as the regularity of such repayments and receipts, is not applicable.
- (d) In respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.
- (e) No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
- (f) The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(f) is not applicable.

The Company has not provided any guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties except stated above.

- iv. The Company has not made or provided any loans, investment, guarantees and securities thus, comply with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees and securities provided, as applicable is not applicable.
- v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- vi. The company has maintained cost records in accordance of application under sub-section (1) of section 148 of the Companies Act, 2013 as company required to maintain as status under Non-regulated sector engaged in Production of plastics films. However, we have not made detailed examination of the cost records with a view to determine whether they are accurate or complete.
- vii. In respect of statutory dues:
 - (a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax. Cess and other material statutory dues applicable to it with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2026 for a period of more than six months from the date they became payable.

- (b) According to the records of the Company, there are no outstanding dues of Duty of customs, Duty of excise, Value added tax, Cess and Goods and Service Tax which have not been deposited on March 31, 2026 on account of any dispute.
- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. a. The company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- b. The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- c. The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
- d. On an overall examination of the financial statements of the Company has not raised funds on short-term basis, hence reporting under clause 3(ix)(d) of the Order is not applicable.
- e. On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- f. The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- x. a. The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- b. During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(X)(b) of the Order is not applicable.
- xi. a. No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- b. No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- c. We have taken into consideration the whistle blower complaints received by the Company during the year (and upto the date of this report), while determining the nature, timing and extent of our audit procedures.
- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.

- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.

(b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors, and hence provisions of section 192 of the Companies Act. 2013 are not applicable to the Company.
- xvi. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act. 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.

(b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, aging and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. (a) There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.

Notes Forming Part of Standalone Financial Statements for the year ended 31st March, 2026

Corporate Information

Ecoplast Limited is Public Company domiciled in India and incorporated under the provisions of the Companies Act, 1956 having Corporate Identity Number L25200GJ1981PLC004375. Its shares are listed on Bombay Stock Exchange in India. The Company is engaged in the business of manufacturing, processing and selling of Co-extruded Plastic Film for packaging and industrial applications. The principal place of business of the company is at Abrama-Valsad. The Company caters to both domestic and international markets. It has various certifications like ISO 9001, ISO 14001 and ISO 22000 registration thereby complying with globally accepted quality standards.

These Standalone Financial Statements of the company as at and for the year ended 31st March, 2026 and have been approved by the Board of Directors at their meeting held on May 30, 2026.

However, pursuant to the Composite Scheme of Amalgamation ('the Scheme') for merger of the Kunal Plastics Private Limited ("the Transferor Company"), with and into the Company, from the specified retrospective appointed date (April 1, 2025), as approved by the National Company Law Tribunal (NCLT), Ahmedabad vide its order dated May 14, 2026 ("the Order"). The Scheme is effective from May 28, 2026 upon filing the same with the Register of Companies, Mumbai. Consequent to the Order the Company has prepared Financial Statements incorporating financial information/ details of the Transferor Company as detailed out below only to give effect of the Order and same were approved by the Board of Directors and authorised for issue on May 30, 2026 (Refer Note 40).

1. Material Accounting Policies and Basis of Preparation

Basis of Preparation standalone Financial Statements :

The accompanying standalone Financial Statements are prepared in accordance with the accounting principles generally accepted in India, including Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ("Act") read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015; and the other relevant provisions of the Act and Rules thereunder.

The Standalone Financial Statements have been prepared under historical cost convention basis, except for certain assets and liabilities measured at fair value and defined benefit plans - plan assets measured at fair value.

Functional and Presentation Currency:

The Company's presentation and functional currency is Indian Rupees (Rs.) and it is the currency of the primary economic environment where the Company operates. All figures appearing the standalone financial statements are rounded off to the Rupees in lacs, as per the requirement of Schedule III of the Companies Act 2013, unless otherwise stated.

Classification of Assets and Liabilities as Current and Non-Current:

All assets and liabilities are classified as current or non-current as per the Company's normal operating cycle (determined at 12 months) and other criteria set out in Schedule III of the Act.

1.1. Use of Judgment and Estimates:

The preparation of Company's standalone financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, assets, liabilities and the accompanying disclosures along with contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require material adjustments to the carrying amounts of the assets or liabilities affected in future periods. The Company continually evaluates these estimates and assumptions based on the most recently available information.

- Financial instruments;
- Estimates of useful lives and residual value of Property, Plant and Equipment and Intangible assets;
- Valuation of Inventories;
- Measurement of Defined Benefit Obligations and actuarial assumptions;
- Provisions;
- Contingencies.

Revisions to accounting estimates are recognised prospectively in the Statement of Profit and Loss in the period in which the estimates are revised and in any future periods affected.

Ecoplast Limited

Notes Forming Part of Standalone Financial Statements for the year ended 31st March, 2026

1.2. Property, Plant and Equipment

- 1.2.1. Property, Plant and Equipment are stated at cost net of accumulated depreciation and accumulated impairment losses, if any.
- 1.2.2. The initial costs of an asset comprises its purchase price or construction costs (including import duties and non-refundable taxes), any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any, and borrowing cost for qualifying assets (i.e. assets that necessarily take a substantial period of time to get ready for their intended use).
- 1.2.3. Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.
- 1.2.4. Expenditure on assets not exceeding threshold limit are charged to revenue.
- 1.2.5. Spare parts which meet the definition of Property, Plant and Equipment are capitalised as Property, Plant and Equipment in case the unit value of the spare part is above the threshold limit. In other cases, the spare part is inventorised on procurement and charged to Statement of Profit and Loss on consumption.
- 1.2.6. An item of Property, Plant and Equipment and any significant part initially recognised separately as part of Property, Plant and Equipment is de-recognised upon disposal; or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset is included in the Statement of Profit and Loss when the asset is de-recognised.
- 1.2.7. The residual values and useful lives of Property, Plant and Equipment are reviewed at each financial year end and changes, if any are accounted in line with revisions to accounting estimates.

1.3. Depreciation

Depreciation on Property, Plant and Equipment are provided on straight line basis, over the estimated useful lives of assets (after retaining the estimated residual value of 5%). These useful lives determined are in line with the useful lives as prescribed in the Schedule II of the Act.

- 1.3.1. Items of Property, Plant and Equipment costing not more than the threshold limit are depreciated 100% in the year of acquisition.
- 1.3.2. Components of the main asset that are significant in value and have different useful lives as compared to the main asset are depreciated over their estimated useful life. Useful life of such components has been assessed based on historical experience and internal technical assessment.
- 1.3.3. Depreciation on spare parts specific to an item of Property, Plant and Equipment is based on life of the related Property, Plant and Equipment. In other cases, the spare parts are depreciated over their estimated useful life based on the technical assessment.
- 1.3.4. Depreciation is charged on additions/ deletions on pro-rata monthly basis including the month of addition/ deletion.

1.4. Intangible Assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses. Internally generated intangibles, excluding eligible development costs are not capitalized and the related expenditure is reflected in the profit and loss in the period in which the expenditure is incurred.

Ecoplast Limited

Notes Forming Part of Standalone Financial Statements for the year ended 31st March, 2026

Amortisation:

Amortisation is recognized on a Straight line method over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Estimated Useful Life: Software 5 Years

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Standalone Statement of Profit and Loss when the asset is derecognized.

1.5 Impairment of Non Financial Assets

At each reporting date, the Company reviews the carrying amounts of its property, plant and equipment, and intangible assets to determine whether there is any indication that those assets have suffered an Impairment loss. If any such indication exists, the recoverable amount of the asset is estimated to determine the extent of the impairment loss (if any). Where the asset does not generate cash flows that are independent from other assets, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest Company of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease and to the extent that the impairment loss is greater than the related revaluation surplus, the excess impairment loss is recognised in profit or loss.

Where an impairment loss subsequently reverses, the carrying amount of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss to the extent that it eliminates the impairment loss which has been recognised for the asset in prior years. Any increase in excess of this amount is treated as a revaluation increase.

1.6. Borrowing Costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Other borrowing costs are expensed in the period in which they are incurred. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange difference to the extent regarded as an adjustment to the borrowing costs.

1.7. Non current asset held for sale

Non-current assets are classified as held for sale if their carrying amounts will be recovered through a sale transaction rather than through continuing use. This condition is regarded as met only when the sale is highly probable and the asset is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such assets.

1.8. Leases

Determining whether an arrangement contains a lease

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

As a lessee

The company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

1) Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

2) The Company determines the lease term as the non-cancellable period of a lease, together with periods covered by an option to extend the lease, where the Company is reasonably certain to exercise that option and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise the option.

3) When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of use asset has been reduced to zero.

1.9. Inventories

1.9.1. Inventories are valued at cost or net realizable value, whichever is lower. The cost in respect of the various items of inventory is computed as under:

- Raw Materials, Packing Materials, Machinery Spares, Ink and Fuel - includes cost of purchases and other costs incurred in bringing the inventories to their present location and condition. However materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on First in First out basis.
- Finished and Semi - Finished goods – at lower of cost or net realizable value
The cost for the purpose of valuation of Finished and Semi - Finished goods is arrived at on FIFO basis and also Cost of conversion which includes an appropriate share of production overheads based on normal operating capacity and other cost incurred in bringing the inventories to their present location and condition.
- Scrap - are valued at net realizable value.

1.9.2. Customs duty/GST on Raw materials/ finished goods lying in bonded warehouse is provided for at the applicable rates except where liability to pay duty is transferred to consignee.

1.9.3. Raw materials held for use in production of Finished Goods are written down below Cost , only if, the estimated Cost or Net Realizable Value of Finished Goods will not exceed Net Realizable Value of such Raw Materials.

1.9.4. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the company. Obsolete, slow moving, surplus and defective stocks are identified at the time of physical verification of stocks and where necessary, provision is made for such stocks.

1.10. Revenue Recognition

- 1.10.1. Revenue is measured based on the transaction price as specified in the contract with the customer. Sale of goods are recognised when control of goods has transferred based on agreed terms. It excludes taxes or other amounts collected from customers in its capacity as an agent.

The Company derives revenues primarily from sale of products and services. Revenue from sale of goods is recognised net of returns, product expiry claims and discounts at the amount of transaction price.

Revenue is recognised on satisfaction of performance obligations upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services.

To recognise revenues, the Company applies the following five step approach:

- 1) Identify the contract with a customer;
- 2) Identify the performance obligations in the contract;
- 3) Determine the transaction price;
- 4) Allocate the transaction price to the performance obligations in the contract; and
- 5) recognise revenues when a performance obligation is satisfied.

Performance obligation may be satisfied over time or at a point in time. Performance obligations satisfied over time if any one of the following criteria is met. In such cases, revenue is recognised over time.

- 1) The customer simultaneously receives and consumes the benefits provided by the Company's performance; or
- 2) The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
- 3) The Company's performance does not create an asset with an alternative use to the Company and the Company has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

Revenue from sale of goods includes Goods and Service Tax and is measured at the fair value of the consideration received or receivable (after including fair value allocations related to multiple deliverable and/or linked arrangements), after the deduction of any trade discounts, volume rebates, net of returns, taxes or duties collected on behalf of the government. The Company collects Goods and Services Tax on behalf of the Government and, therefore, it is not an economic benefit flowing to the Company. Hence, it is excluded from revenue.

The Company derives its revenue also from the sale of goods from exports made under CIF terms.

Revenue from Export Sales is recognised based on the satisfaction of performance obligations and transfer of control which generally happens when the goods are shipped at the port of dispatch, in line with Ind AS 115. While the Company arranges freight and insurance as per CIF terms, the transfer of control occurs at the point of shipment, and revenue is recorded accordingly. Freight and insurance costs incurred by the Company are presented separately as a freight outward unless specifically charged to customers.

- 1.10.2. Claims are recognised on settlement. Export incentives are accounted where there is reasonable assurance that the incentive income will be received and all attached conditions will be complied with.
- 1.10.3. Interest income is recognised using Effective Interest Rate (EIR) method.
- 1.10.4. Dividend is recognised when right to receive the income is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of dividend can be measured reliably.

1.11. Employee benefits

1.11.1. Short term employment benefits

Short term employee benefits such as salaries, wages, short-term compensated absences, performance incentives etc., and the expected cost of bonus, ex-gratia are recognised as an expense at an undiscounted amount in the Statement of Profit and Loss of the year in which the related services are rendered.

1.11.2. Defined Contribution Plans

→ **Superannuation :**

The Company has Defined Contribution Plan for Post employment benefits in the form of Superannuation Fund for certain class of employees as per the scheme, administered through Life Insurance Corporation (LIC) and Trust which is administered by the Trustees and is charged to revenue every year. Company has no further obligation beyond its contributions.

→ **Employee's Family Pension :**

The Company has Defined Contribution Plan for Post-employment benefits in the form of family pension for all eligible employees, which is administered by the Regional Provident Fund Commissioner and is charged to revenue every year. Company has no further obligation beyond its monthly contributions.

→ **Provident Fund:**

The Company has Defined Contribution Plan for Post-employment benefits in the form of Provident Fund for all eligible employees; which is administered by the Regional Provident Fund Commissioner and is charged to revenue every year. Company has no further obligations beyond its monthly contributions.

1.11.3. Defined Benefit Plans

→ **Gratuity :**

The Company has a Defined Benefit Plan for Post-employment benefit in the form of gratuity for all eligible employees which is administered through Life Insurance Corporation (LIC) and a trust which is administered by the trustees. Liability for above defined benefit plan is provided on the basis of actuarial valuation as at the Balance Sheet date, carried out by an independent actuary. The actuarial method used for measuring the liability is the Projected Unit Credit method.

→ **Compensated Absences :**

Liability for Compensated Absences is provided on the basis of valuation, as at the Balance Sheet date, carried out by an independent actuary. The Actuarial valuation method used for measuring the liability is the Projected Unit Credit method. Under this method, the Defined Benefit Obligation is calculated taking into account pattern of avilment of leave whilst in service and qualifying salary on the date of avilment of leave. In respect of encashment of leave, the Defined Benefit obligation is calculated taking into account all types of the increment, salary growth, attrition rate and qualifying salary projected up to the assumed date of encashment.

1.11.4. Termination Benefits:

Termination benefits are recognised as an expense as and when incurred.

1.11.5. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on Government bonds that have terms approximating to the terms of the related obligation.

1.11.6. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

1.11.7. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur directly in Other Comprehensive Income. They are included in retained earnings in the Statement of changes in equity and in the Balance Sheet.

1.11.8. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

1.12. Foreign Currency Transactions

1.12.1. Monetary Items

Transactions in foreign currencies are initially recorded at their respective exchange rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at exchange rates prevailing on the reporting date.

1.12.2. Non – Monetary items:

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

1.13. Investment in Subsidiaries

Investments in subsidiary company carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiary company, the difference between net disposal proceeds and the carrying amounts are recognised in the Statement of Profit and Loss.

1.14. Government Grants

1.14.1. Government grants are recognised at fair value where there is reasonable assurance that the grant will be received and all attached conditions will be complied with.

1.14.2. When the grant relates to an expense item, it is recognised in Statement of Profit and Loss on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed.

1.14.3. Government grants relating to Property, Plant and Equipment are presented by deducting the grant from the carrying amount of the asset.

1.15. Provisions, Contingent Liabilities and Contingent Asset

1.15.1. Provisions are recognised when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

1.15.2. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

1.15.3. Contingent liabilities are possible obligations whose existence will only be confirmed by future events not wholly within the control of the Company, or present obligations where it is not probable that an outflow of resources will be required or the amount of the obligation cannot be measured with sufficient reliability.

1.15.4. Contingent liabilities are not recognised in the standalone financial statements but are disclosed unless the possibility of an outflow of economic resources is considered remote.

1.15.5. Contingent liabilities disclosed are in respect of items which in each case are above the threshold limit.

1.15.6. Contingent assets are neither recognised nor disclosed.

1.15.7. Provisions, contingent liabilities, and contingent assets are reviewed at each balance sheet date.

1.16. Fair Value measurement

- 1.16.1. The Company measures certain financial instruments at fair value at each reporting date.
- 1.16.2. Certain accounting policies and disclosures require the measurement of fair values, for both financial and non- financial assets and liabilities.
- 1.16.3. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Company has access at that date. The fair value of a liability also reflects its non-performance risk.
- 1.16.4. The best estimate of the fair value of a financial instrument on initial recognition is normally the transaction price – i.e. the fair value of the consideration given or received. If the Company determines that the fair value on initial recognition differs from the transaction price and the fair value is evidenced neither by a quoted price in an active market for an identical asset or liability nor based on a valuation technique that uses only data from observable markets, then the financial instrument is initially measured at fair value, adjusted to defer the difference between the fair value on initial recognition and the transaction price. Subsequently that difference is recognised in Statement of Profit and Loss on an appropriate basis over the life of the instrument but no later than when the valuation is wholly supported by observable market data or the transaction is closed out.
- 1.16.5. While measuring the fair value of an asset or liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation technique as follows:
- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
 - Level 2: inputs other than quoted prices included in Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)
 - Level 3: inputs for the assets or liability that are not based on observable market data (unobservable inputs)
- 1.16.6. When quoted price in active market for an instrument is available, the Company measures the fair value of the instrument using that price. A market is regarded as active if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.
- 1.16.7. If there is no quoted price in an active market, then the Company uses a valuation techniques that maximise the use of relevant observable inputs and minimise the use of unobservable inputs. The chosen valuation technique incorporates all of the factors that market participants would take into account in pricing a transaction.
- 1.16.8. The Company regularly reviews significant unobservable inputs and valuation adjustments. If the third party information, such as broker quotes or pricing services, is used to measure fair values, then the Company assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified.

1.17. Financial Assets

1.17.1. Initial recognition and measurement

Trade Receivables and debt securities issued are initially recognised when they are originated. All other financial assets are initially recognised when the Company becomes a party to the contractual provisions of the instrument. All financial assets other than those measured subsequently at fair value through profit and loss, are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset.

1.17.2. Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial assets. Based on the business model for managing the financial assets and the contractual cash flow characteristics of the financial asset, the Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit and loss.

Ecoplast Limited
Notes Forming Part of Standalone Financial Statements for the year ended 31st March, 2026

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

The asset is held within a business model whose objective is :

- To hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss.

Debt instruments at Fair value through Other Comprehensive Income (FVOCI)

A 'debt instrument' is measured at the fair value through Other Comprehensive Income if both the following conditions are met:

The asset is held within a business model whose objective is achieved by both

- collecting contractual cash flows and selling financial assets and
- contractual terms of the asset give rise on specified dates to cash flows that are SPPI on the principal amount outstanding.

After initial measurement, these assets are subsequently measured at fair value. Interest income under effective interest method, foreign exchange gains and losses and impairment losses are recognised in the Statement of Profit and Loss. Other net gains and losses are recognised in other comprehensive Income.

Debt instruments at Fair value through Profit or Loss (FVTPL)

Fair Value through Profit or Loss is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorisation at amortised cost or as FVOCI, is classified as FVTPL.

After initial measurement, any fair value changes including any interest income, foreign exchange gain and losses, impairment losses and other net gains and losses are recognised in the Statement of Profit and Loss.

Equity investments

All equity investments within the scope of Ind AS 109 are measured at fair value. Such equity instruments which are held for trading are classified as FVTPL. For all other such equity instruments, the Company decides to classify the same either as FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

For equity instruments classified as FVOCI, all fair value changes on the instrument, excluding dividends, are recognised in Other Comprehensive Income (OCI). Dividends on such equity instruments are recognised in the Statement of Profit or Loss.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognised in the Statement of Profit and Loss.

Ecoplast Limited

Notes Forming Part of Standalone Financial Statements for the year ended 31st March, 2026

1.17.3. De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's Balance Sheet) when :

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:
 - The Company has transferred substantially all the risks and rewards of the asset, or
 - The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On de-recognition, any gains or losses on all debt instruments (other than debt instruments measured at FVOCI) and equity instruments (measured at FVTPL) are recognised in the Statement of Profit and Loss. Gains and losses in respect of debt instruments measured at FVOCI and that are accumulated in OCI are reclassified to profit or loss on de-recognition. Gains or losses on equity instruments measured at FVOCI that are recognised and accumulated in OCI are not reclassified to profit or loss on de-recognition.

1.17.4. Impairment of financial assets

In accordance with Ind AS 109, the Company applies Expected Credit Loss ("ECL") model for measurement and recognition of impairment loss on the financial assets measured at amortised cost and debt instruments measured at FVOCI.

Loss allowances on trade receivables are measured following the 'simplified approach' at an amount equal to the lifetime ECL at each reporting date. The application of simplified approach does not require the Company to track changes in credit risk. Based on the past history and track records the company has assessed the risk of default by the customer and expects the credit loss to be insignificant. In respect of other financial assets such as debt securities and bank balances, the loss allowance is measured at 12 month ECL only if there is no significant deterioration in the credit risk since initial recognition of the asset or asset is determined to have a low credit risk at the reporting date.

1.18. Financial Liabilities

1.18.1. Initial recognition and measurement

Financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

Financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss, transaction costs that are directly attributable to its acquisition or issue.

1.18.2. Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial liabilities.

Financial Liabilities at Fair Value through Profit or Loss (FVTPL)

A financial liability is classified as at Fair Value through Profit or Loss (FVTPL) if it is classified as held-for-trading or is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and changes therein, including any interest expense, are recognised in Statement of Profit and Loss.

Financial Liabilities at amortised cost

After initial recognition, financial liabilities other than those which are classified as FVTPL are subsequently measured at amortised cost using the effective interest rate ("EIR") method.

Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The amortisation done using the EIR method is included as finance costs in the Statement of Profit and Loss.

Notes Forming Part of Standalone Financial Statements for the year ended 31st March, 2026

1.19. Financial guarantees

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of the debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the fair value initially recognised less cumulative amortisation.

1.20. Embedded derivatives

If the hybrid contract contains a host that is a financial asset within the scope of Ind AS 109, the classification requirements contained in Ind AS 109 are applied to the entire hybrid contract. Derivatives embedded in all other host contracts, including financial liabilities are accounted for as separate derivatives and recorded at fair value if their economic characteristics and risks are not closely related to those of the host contracts and the host contracts are not held for trading or designated at fair value through profit and loss. These embedded derivatives are measured at fair value with changes in fair value recognised in Statement of Profit and Loss, unless designated as effective hedging instruments. Reassessment only occurs if there is either a change in the terms of the contract that significantly modifies the cash flows.

1.21. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet, if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

1.22. Taxes on Income

1.22.1. Current Tax

Income-tax Assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, by the end of reporting period.

Current Tax items are recognised in correlation to the underlying transaction either in the Statement of Profit and Loss, other comprehensive income or directly in equity.

1.22.2. Deferred tax

Deferred tax is provided using the Balance Sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date.

Deferred Tax items are recognised in correlation to the underlying transaction either in the Statement of Profit and Loss, other comprehensive income or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

1.23. Earnings per share

Basic earnings per share are calculated by dividing the profit or loss for the period attributable to equity shareholders (after deducting preference dividends, if any, and attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of all dilutive potential equity shares.

1.24. Cash and Cash equivalents

Cash and cash equivalents in the Balance Sheet include cash at bank, cash, cheque, draft on hand and demand deposits with an original maturity of less than three months, which are subject to an insignificant risk of changes in value.

For the purpose of Statement of Cash Flows, Cash and cash equivalents include cash at bank, cash, cheque and draft on hand. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

1.25. Cash Flows

Cash flows are reported using the indirect method, where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

1.26 Prior Period items and Extraordinary items

Prior period items and extraordinary items are separately classified, identified and dealt with as required under Ind AS 8 on 'Accounting Policies, Changes in Accounting Estimates and Errors' as notified under the Companies (Indian Accounting Standards) Rules, 2015

The fair values of the financial assets and liabilities are defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Methods and assumptions used to estimate the fair values are consistent with those used for the year ended 31st March, 2025.

The financial instruments are categorized into three levels based on the inputs used to arrive at fair value measurements as described below:

- i) Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.
- ii) Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2. In the case of Derivative contracts, the Company has valued the same using the forward exchange rate as at the reporting date.
- iii) Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

C Calculation of fair values:

Financial assets and liabilities measured at fair value as at Balance Sheet date:

Other financial assets and liabilities:-

- Cash and cash equivalents, trade receivables, other financial assets , trade payables, and other financial liabilities have fair values that approximate to their carrying amounts due to their short-term nature.
- Loans have fair values that approximate to their carrying amounts as it is based on the net present value of the anticipated future cash flows using rates currently available for debt on similar terms, credit risk and remaining maturities.

26 Financial risk management

Risk management framework

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risks, commodity risk and credit risk. The Company's senior management has the overall responsibility for establishing and governing the Company's risk management framework. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Audit Committee of the Company.

The Company has exposure to the following risks arising from financial instruments:

- A) Credit risk;
- B) Liquidity risk;
- C) Market risk; and
- D) Interest rate risk
- E) Commodity Risk

A Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations.

Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to Rs. 3,140.32 lacs and Rs. 3,192.76 lacs as at March 31, 2026 and March 31, 2025, respectively.

The demographics of the customer and including the default risk of the industry, also has an influence on credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

Other than trade and other receivables, the Company has no other financial assets that are past due but not impaired.

The Company uses an allowance matrix to measure the expected credit losses of trade receivables.

The loss rates are computed using a 'roll rate' method based on the probability of receivable progressing through successive stages of delinquency to write off.

The following table provides information about the exposure to credit risk and ECLs for trade receivables:

Ageing of Trade receivables (Rs. Lacs)

B Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time, or at a reasonable price.

Ultimate responsibility for liquidity risk management rests with the Board of Directors, which has built an appropriate liquidity risk management framework for the management of the Company's short, medium and long term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities.

Exposure to liquidity risk

The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows as at the Balance Sheet date:

C Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

The Company operates internationally and portion of the business is transacted in several currencies. Consequently the Company is exposed to foreign exchange risk through its sales and services in overseas and purchases from overseas suppliers in various foreign currencies. Exports of the company are significantly lower in comparison to its imports.

The Company holds derivative financial instruments such as foreign exchange forward contract to mitigate the risk of changes in exchange rates on foreign currency exposure. The exchange rate between rupee and foreign currency has changed substantially in recent years and may fluctuate substantially in future. Consequently, the results of the Company's operation are adversely affected as the rupee appreciates/ depreciates against these currencies.

The carrying amounts of the Company's foreign currency dominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

Particulars	Liabilities (Foreign currency)		Assets (Foreign currency)	
	As at 31st March, 2026	As at 31st March, 2025	As at 31st March, 2026	As at 31st March, 2025

In Euro (EUR)	207.52	-	-	8.00

Foreign currency sensitivity analysis

The Company is mainly exposed to the currency : USD & EURO

The following table details the Company's sensitivity to a 5% increase and decrease in the Rupee against the relevant foreign currencies. 5% is the sensitivity rate used when reporting foreign currency risk internally to key management personnel and represents management's assessment of the reasonably possible change in foreign exchange rates. This is mainly attributable to the net exposure outstanding on receivables or payables in the Company at the end of the reporting period. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 5% charge in foreign currency rate. A positive number below indicates an increase in the profit or equity where the Rupee strengthens 5% against the relevant currency. For a 5% weakening of the Rupee against the relevant currency, there would be a comparable impact on the profit or equity, and the balances below would be negative.

Impact on profit or loss and total equity

Particulars	USD impact - Amount (Rs. Lacs)	
	As at 31st March, 2026	As at 31st March, 2025
Increase in exchange rate by 5%	15.43	6.45
Decrease in exchange rate by 5%	(15.43)	(6.45)

The Company, in accordance with its risk management policies and procedures, enters into foreign currency forward contracts to manage its exposure in foreign exchange rate variations. The counter party is generally a bank. These contracts are for a period between one day and one year. The above sensitivity does not include the impact of foreign currency forward contracts which largely mitigate the risk.

D Interest rate risk

There is no material interest risk relating to the Company's financial liabilities which are detailed in note 13.1.

E Commodity Risk

Principal Raw Material for Company's products is variety of plastic polymers which are Derivatives of Crude Oil. Company sources its raw material requirement primarily from US Middle East and Europe. Domestic market prices are also generally remains in sync with international market price scenario.

Volatility in Crude Oil prices, Currency fluctuation of Rupee vis-à-vis other prominent currencies coupled with demand–supply scenario in the world market affect the effective price and availability of polymers for the Company. Company effectively manages with availability of material as well as price volatility through:

1. Widening its sourcing base
2. Appropriate contracts and commitments
3. Well planned procurement & inventory strategy

27 Employee Benefits

[A] Defined contribution plans:

The Company makes Provident Fund and Superannuation Fund contributions to defined contribution plans for qualifying employees. Under the Schemes, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits. The Company recognised Rs. 118.61 Lacs (As at 31st March, 2025: Rs. 102.61 lacs) for Provident Fund contributions and Rs. 62.51 lacs (As at 31st March, 2025 : Rs. 50.05 lacs) for Superannuation Fund contributions in the Statement of Profit and Loss. The contributions payable to these plans by the Company are at rates specified in the rules of the schemes.

[B] Defined benefit plan:

The Employees' gratuity fund scheme managed by LIC of India . is a defined benefit plan. The present value of obligation for gratuity and leave encashment is determined on the basis of Actuarial Valuation Report made at the year end.

The Defined Benefit Plan for Post-employment benefit of Contract Employees in the form of gratuity is unfunded and not included in the below table and not covered by Group Gratuity Policy of LIC.

i) On normal retirement / early retirement / withdrawal / resignation: As per the provisions of Payment of Gratuity Act, 1972 with vesting period of 5 years of service.

ii) On death in service: As per the provisions of Payment of Gratuity Act, 1972 without any vesting period.

These plans typically expose the Company to actuarial risks such as : investment risk , interest risk , longevity risk and salary risk.

Investment risk:

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create plan deficit.

Interest risk:

A decrease in the bond interest rate will increase the plan liability; however, this will be partially off set by an increase in the plan assets.

Longevity risk:

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk:

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

The following table sets out the status of the gratuity plan and the amounts recognized in the Company's financial statements as at 31st March, 2025.

j) Sensitivity analysis

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate and expected salary increase. The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

Particulars	(Rs. Lacs)	
	31st March, 2026	31st March, 2025
Projected Benefit Obligation on Current Assumptions	758.83	731.85
Delta Effect of +1% Change in Rate of Discounting	(46.83)	(49.45)
Delta Effect of -1% Change in Rate of Discounting	52.60	55.82
Delta Effect of +1% Change in Rate of Salary Increase	42.37	45.87
Delta Effect of -1% Change in Rate of Salary Increase	(39.84)	(43.11)
Delta Effect of +1% Change in Rate of Employee Turnover	2.08	0.27
Delta Effect of -1% Change in Rate of Employee Turnover	(2.33)	(0.30)

Although the analysis does not take account of the full distribution of cash flows expected under the plan, it does provide an approximation of the sensitivity of the assumptions shown.

Based on the actuarial valuation obtained in this respect, the following table sets out the status of the gratuity plan and the amounts recognised in the Company's financial statements as at balance sheet date:

	Note No.	(Rs. Lacs)	
		As at 31st March, 2026	As at 31st March, 2025
Total employee benefit liabilities			
Provisions (Current)	15	24.54	49.11

k) General Assumptions

(i) Leave Policy:

Leave balance as at the valuation date and each subsequent year following the valuation date to the extent not availed by the employee accumulated up to 31 March 2026 is available for encashment on separation from the company up to a maximum of 90 days.

(ii) The assumption of future salary increases, considered in actuarial valuations, takes account of inflation, seniority, promotion, supply and demand and other relevant factors.

(iii) Liability on account of long term absences has been actuarially valued as per Projected Unit Credit Method.

(iv) Short term compensated absences have been provided on actual basis.

32 The Company has imported Plant and Machineries under Export Promotion Capital Goods Scheme (EPCG) without payment of Custom Duty. In the event of non-fulfilment of export obligations as specified, the Company may be held liable to pay custom duty of Nil (Previous year Rs. 269.74 lacs) in terms of the said Scheme. As on 31st March 2026 Company is not in any default under the Scheme.

33 The Company prior to it being listed had issued Bonus shares on 29th June, 1994 for Rs. 100 lacs (10,00,000 equity shares of Rs. 10/- each) by capitalising part of its revaluation reserve. Accordingly, the paid up equity share capital of the company stands increased by Rs. 100 lacs and the revaluation reserve stands reduced by that amount. The issue of bonus shares as aforesaid is contrary to the circular issued by the Department of Company Affairs issued in September, 1994 and the recommendations of the Institute of Chartered Accountants of India issued in November, 1994. However, the Hon'ble Supreme Court in the decision in the case of Bhagwati Developers Vs Peerless General Finance & Investment Co. & others (2005) Comp LJ 377 (SC) has held that there is no specific bar under the Companies Act for issue of Bonus Shares out of Revaluation Reserve and that the Department's Communique was advisory in nature, without any mandatory effect. The Management is therefore of the opinion that both according to the accounting principles and provisions of Company Law, the Company was justified in capitalizing its Revaluation Reserve.

34 The Amalgamating Company, Kunal Plastic Private Limited had accepted unsecured loans from the Directors, Members and Relatives as promoters margin as per stipulation of lending institution as shown in Note No.11.1 & 14.1 which did not fall within the definition of "Deposits" as stipulated in Companies Act, 2013. As per the Clause (xiii) of Regulation 2(1)(c) of the Companies(Acceptance of Deposits Rules), 2014, Deposits do not include any amount brought in by the promoters of the company by way of unsecured loan in pursuance of the stipulation of any lending financial institution or a bank. The Company has repaid the unsecured loans during the previous year.

40 Event occurring after Balance Sheet date:

The Board of Directors of the Company at its meeting held on December 14, 2024 had approved the Scheme of Amalgamation ("the Scheme") of Kunal Plastics Private Limited ("Transferor Company") with the Company ("Transferee Company") from April 1, 2025 (Appointed Date). Application seeking approval of the Scheme was subsequently filed with Hon'ble National Company Law Tribunal (NCLT), Ahmedabad Bench on December 09, 2025.

On May 14, 2026 the NCLT has sanctioned the Scheme, with appointed date as April 1, 2025 and on May 27, 2026 the Company has received certified true copy of the said order. The Scheme is effective from May 28, 2026 i.e. upon filing the same with Registrar of Companies, Ahmedabad, by both the companies.

As per the requirements of Appendix C to Ind AS 103 "Business Combination", the merger has been given effect to as if it had occurred from the beginning of the preceding period (i.e. April 1, 2025) in the standalone financial results. The revision of the standalone financial results of the previous periods / years have been carried out solely for the impact of above referred scheme of Amalgamation and no additional adjustments have been carried out for any other events.

As per the Scheme, all assets and liabilities of Kunal Plastic Private Limited as at appointed date (i.e. April 1, 2025) have been recorded at their carrying values determined in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS) prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies to the extent applicable. The difference being the excess of net assets value after eliminating inter-company balances and equity share allotted is Debited to Amalgamation Adjustment Deficit Reserve. As per Appendix C of Ind AS 103 "Business Combinations", the financial information in the standalone financial statements in respect of prior periods is restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination. Accordingly, business combination is accounted with effect from April 1, 2025.

In accordance with the Scheme, the Company has taken over following assets, liabilities and other equity (before intercompany eliminations) at their respective book values against capital issuance of Rs. 130.00 Lacs to the shareholders of transferor company as at the appointed date and resultant loss of Rs. 105.91 Lacs has been debited to amalgamation adjustment reserve.

Independent Auditor's Report

To
The Members of
ECOPLAST LIMITED

REPORT ON THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

Opinion

We have audited the accompanying consolidated financial statements of ECOPLAST LIMITED (the "Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as the "Group") which comprise the Consolidated Balance Sheet as at March 31, 2026, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements, give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2026 and their consolidated profit, their consolidated total comprehensive income, their consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements

Emphasis of Matter

We draw attention to Note no.40 of the Financial Statement which describes the scheme of amalgamation. As explained in detail therein, these Standalone Financial Results for the quarter and year ended 31st March, 2026 have been prepared pursuant to the Composite

Scheme of Amalgamation (merger by absorption) ('the Scheme') for merger of Kunal Plastics Private Limited. ("the Transferor Company"), with and into the Company, from the specified retrospective appointed date (1st April, 2025), as approved by the National Company Law Tribunal (NCLT), Ahmedabad Bench vide its order dated 14th May, 2026 ("the Order"). The Scheme is effective from 28 May, 2026 upon filing the same with the Register of Companies, Ahmedabad. As per the requirements of Appendix C to Ind AS 103 "Business Combination", the merger has been given effect to as if it had occurred from the beginning of the preceding period (i.e. 1st April, 2025) in the Standalone Financial Statements.

Our opinion is not modified in respect of above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters

We have determined that there are no key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Directors' Report including Annexures to Directors' Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this auditors' report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Boards of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the respective entities and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Boards of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Boards of Directors either intend to liquidate their respective entities or to cease operations, or have no realistic alternative but to do so.

The respective Boards of Directors of the Companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on the internal financial controls with reference to the consolidated financial statements and the operating effectiveness of such controls based on our audit.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditors' Report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditors' Report. However, future events or conditions may cause the Group (Holding Company and Subsidiary) to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our Auditors' Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that

a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, based on our audit, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under section 133 of the Act.
- e) On the basis of the written representations received from the directors of the Holding Company as on 31 March 2026 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary company incorporated in India, none of the directors of the Group companies incorporated in India are disqualified as on 31 March 2026 from being appointed as a director in terms of section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in “**Annexure A**” which is based on the auditors’ reports of the Holding Company and its subsidiary company incorporated in India respectively. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls over financial reporting of those companies.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i) The consolidated financial statements disclose the impact of pending litigations on financial position of the Group.

- ii) Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company and its subsidiary companies incorporated in India.
 - iv) Based on such examination, representations given by the management as per the requirements of Rule 11(e)(i) and (ii), nothing has come to our notice that has caused us to believe that the above-mentioned representations contain any material misstatement.
 - v) The Company has declared dividend and paid during the year under consideration is in compliance with section 123 of the Companies Act, 2013.
 - vi) Based on our examination, which includes test checks, the company and its subsidiary incorporated in India, have used accounting software for maintaining its books of account for the financial year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.
2. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and its subsidiary included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there is no qualifications remarks in this CARO report.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of ECOPLAST LIMITED of even date)

Report on the Internal Financial Controls with reference to Consolidated Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2026, we have audited the internal financial controls over financial reporting of **ECOPLAST LIMITED** (hereinafter referred to as the “Holding Company”) and its subsidiary company, which is company incorporated in India, as of that date.

Emphasis of Matter

We draw attention to Note no.40 of the Financial Statement which describes the scheme of amalgamation. As explained in detail therein, these Standalone Financial Results for the quarter and year ended 31st March, 2026 have been prepared pursuant to the Composite Scheme of Amalgamation (merger by absorption) (‘the Scheme’) for merger of Kunal Plastics Private Limited. (‘the Transferor Company’), with and into the Company, from the specified retrospective appointed date (1st April, 2025), as approved by the National Company Law Tribunal (NCLT), Ahmedabad Bench vide its order dated 14th May, 2026 (‘the Order’). The Scheme is effective from 28 May, 2026 upon filing the same with the Register of Companies, Ahmedabad. As per the requirements of Appendix C to Ind AS 103 “Business Combination”, the merger has been given effect to as if it had occurred from the beginning of the preceding period (i.e. 1st April, 2025) in the Standalone Financial Statements.

Our opinion is not modified in respect of above matter.

Management’s Responsibility for Internal Financial Controls

The respective Boards of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI") and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and in terms of other auditor report referred to in paragraph of the Other Matters below, the audit evidence obtained by them, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, and based on auditor's report of the Subsidiary Company, incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the criteria for internal financial control over financial reporting established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Ecoplast Limited
Notes forming Part of Consolidated Financial Statements for the year ended 31st March, 2026

Group Overview

Ecoplast Limited is Public Group domiciled in India and incorporated under the provisions of the Companies Act, 1956 having Corporate Identity Number L25200GJ1981PLC004375. Its shares are listed on Bombay Stock Exchange in India. The Group is engaged in the business of manufacturing, processing and selling of Co-extruded Plastic Film for packaging and industrial applications. The principal place of business of the Group is at Abrama-Valsad. The Group caters to both domestic and international markets. It has various certifications like ISO 9001, ISO 14001 and ISO 22000 registration for products thereby complying with globally accepted quality standards.

The Consolidated Financial Statement comprises financial statements of “Ecoplast Limited” (‘Parent Group’) and its subsidiary – Synergy Films Private Limited (Collectively referred as “the Group”) for the year ended March 31, 2026.

These Consolidated Financial Statements of the Group as at and for the year ended 31st March, 2026 and have been approved by the Board of Directors at their meeting held on May 30, 2026.

However, pursuant to the Composite Scheme of Amalgamation (‘the Scheme’) for merger of the Kunal Plastics Private Limited (“the Transferor Company”), with and into the Company, from the specified retrospective appointed date (April 1, 2025), as approved by the National Company Law Tribunal (NCLT), Ahmedabad vide its order dated May 14, 2026 (“the Order”). The Scheme is effective from May 28, 2026 upon filing the same with the Register of Companies, Mumbai. Consequent to the Order the Company has prepared Financial Statements incorporating financial information/ details of the Transferor Company as detailed out below only to give effect of the Order and same were approved by the Board of Directors and authorised for issue on May 30, 2026 (Refer Note 40).

Principles of Consolidation

The consolidated financial statements incorporate the consolidated financial statements of the Group and entities controlled by the Group and its subsidiaries. Control is achieved when the Group:

- has power over the investee;
- is exposed, or has rights, to variable returns from its involvement with the investee; and
- has the ability to use its power to affect its returns.

The Group reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above. When the Group has less than a majority of the voting rights of an investee, it has power over the investee when the voting rights are sufficient to give it the practical ability to direct the relevant activities of the investee unilaterally. The Group considers all relevant facts and circumstances in assessing whether or not the Group’s voting rights in an investee are sufficient to give it power, including:

- the size of the Group’s holding of voting rights relative to the size and dispersion of holdings of the other vote holders;
- potential voting rights held by the Group, other vote holders or other parties;
- rights arising from other contractual arrangements; and
- any additional facts and circumstances that indicate that the Group has, or does not have, the current ability to direct the relevant activities at the time that decisions need to be made, including voting patterns at previous shareholders’ meetings.

Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Specifically, income and expenses of a subsidiary acquired or disposed of during the year are included in the Consolidated Statement of Profit and Loss from the date the Group gains control until the date when the Group ceases to control the subsidiary.

Profit or loss and each component of other comprehensive income are attributed to the owners of the Group and to the non-controlling interests. Total comprehensive income of subsidiaries is attributed to the owners of the Group and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

When necessary, adjustments are made to the consolidated financial statements of subsidiaries to bring their accounting policies into line with the Group’s accounting policies.

All intragroup assets and liabilities, equity, income, expenses, and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

The Subsidiary Company in the consolidated financial statement is:

Name : Synergy Films Private Limited

Country of Incorporation : India

% Voting power held: 100

Ecoplast Limited
Notes forming Part of Consolidated Financial Statements for the year ended 31st March, 2026

1. Material Accounting Policies and Basis of Preparation

Statement of Compliance

The consolidated financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ("Act") read with Companies (Indian Accounting Standards) Rules, 2015; and the other relevant provisions of the Act and Rules thereunder.

Basis of Preparation

The consolidated financial statements have been prepared under historical cost convention basis, except for certain assets and liabilities measured at fair value.

Functional and Presentation Currency:

The Group's presentation and functional currency is Indian Rupees (Rs.) and it is the currency of the primary economic environment where the Group operates. All figures appearing the consolidated financial statements are rounded off to the Rupee in lacs, as per the requirement of Schedule III of the Companies Act 2013, unless otherwise stated.

Classification of Assets and Liabilities as Current and Non-Current:

All assets and liabilities are classified as current or non-current as per the Group's normal operating cycle (determined at 12 months) and other criteria set out in Schedule III of the Act.

1.1. Use of Judgment and Estimates:

The preparation of Group's consolidated financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, assets, liabilities and the accompanying disclosures along with contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require material adjustments to the carrying amounts of the assets or liabilities affected in future periods. The Group continually evaluates these estimates and assumptions based on the most recently available information.

- Financial instruments;
- Estimates of useful lives and residual value of Property, Plant and Equipment and Intangible assets;
- Valuation of Inventories
- Measurement of Defined Benefit Obligations and actuarial assumptions;
- Provisions;
- Contingencies.

Revisions to accounting estimates are recognised prospectively in the consolidated Statement of Profit and Loss in the period in which the estimates are revised and in any future periods affected.

1.2. Property, Plant and Equipment

- 1.2.1. Property, Plant and Equipment are stated at cost net of accumulated depreciation and accumulated impairment losses, if any.
- 1.2.2. The initial costs of an asset comprises its purchase price or construction costs (including import duties and non-refundable taxes), any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any, and borrowing cost for qualifying assets (i.e. assets that necessarily take a substantial period of time to get ready for their intended use).
- 1.2.3. Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Group.
- 1.2.4. Expenditure on assets not exceeding threshold limit are charged to revenue.

Notes forming Part of Consolidated Financial Statements for the year ended 31st March, 2026

- 1.2.5. Spare parts which meet the definition of Property, Plant and Equipment are capitalised as Property, Plant and Equipment in case the unit value of the spare part is above the threshold limit. In other cases, the spare part is inventorised on procurement and charged to consolidated Statement of Profit and Loss on consumption.
- 1.2.6. An item of Property, Plant and Equipment and any significant part initially recognized separately as part of Property, Plant and Equipment is de-recognised upon disposal; or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset is included in the consolidated Statement of Profit and Loss when the asset is de-recognised.
- 1.2.7. The residual values and useful lives of Property, Plant and Equipment are reviewed at each financial year end and changes, if any are accounted in line with revisions to accounting estimates.

1.3. Depreciation

Depreciation on Property, Plant and Equipment are provided on straight line basis, over the estimated useful lives of assets (after retaining the estimated residual value of 5%). These useful lives determined are in line with the useful lives as prescribed in the Schedule II of the Act.

- 1.3.1. Items of Property, Plant and Equipment costing not more than the threshold limit are depreciated 100% in the year of acquisition.
- 1.3.2. Components of the main asset that are significant in value and have different useful lives as compared to the main asset are depreciated over their estimated useful life. Useful life of such components has been assessed based on historical experience and internal technical assessment.
- 1.3.3. Depreciation on spare parts specific to an item of Property, Plant and Equipment is based on life of the related Property, Plant and Equipment. In other cases, the spare parts are depreciated over their estimated useful life based on the technical assessment.
- 1.3.4. Depreciation is charged on additions/ deletions on pro-rata monthly basis including the month of addition/ deletion.

1.4. Intangible Assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses. Internally generated intangibles, excluding eligible development costs are not capitalized and the related expenditure is reflected in the profit and loss in the period in which the expenditure is incurred.

Amortisation:

Amortisation is recognized on a Straight line method over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Estimated Useful Life: Software 5 Years

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Consolidated Statement of Profit and Loss when the asset is derecognized.

Ecoplast Limited
Notes forming Part of Consolidated Financial Statements for the year ended 31st March, 2026

1.5 Impairment of Non Financial Assets

At each reporting date, the Group reviews the carrying amounts of its property, plant and equipment, and intangible assets to determine whether there is any indication that those assets have suffered an Impairment loss. If any such indication exists, the recoverable amount of the asset is estimated to determine the extent of the impairment loss (if any). Where the asset does not generate cash flows that are independent from other assets, the Group estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest Company of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease and to the extent that the impairment loss is greater than the related revaluation surplus, the excess impairment loss is recognised in profit or loss.

Where an impairment loss subsequently reverses, the carrying amount of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss to the extent that it eliminates the impairment loss which has been recognised for the asset in prior years. Any increase in excess of this amount is treated as a revaluation increase.

1.6 Borrowing Costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Other borrowing costs are expensed in the period in which they are incurred. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange difference to the extent regarded as an adjustment to the borrowing costs.

Ecoplast Limited
Notes forming Part of Consolidated Financial Statements for the year ended 31st March, 2026

1.7 Non current asset held for sale

Non-current assets are classified as held for sale if their carrying amounts will be recovered through a sale transaction rather than through continuing use. This condition is regarded as met only when the sale is highly probable and the asset is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such assets.

1.8 Leases

Determining whether an arrangement contains a lease

The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Group uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

As a lessee

The Group recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

1) Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

2) The Group determines the lease term as the non-cancellable period of a lease, together with periods covered by an option to extend the lease, where the Group is reasonably certain to exercise that option and periods covered by an option to terminate the lease if the Group is reasonably certain not to exercise the option.

3) When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of use asset has been reduced to zero.

1.9 Inventories

1.9.1. Inventories are valued at cost or net realizable value, whichever is lower. The cost in respect of the various items of inventory is computed as under:

→ Raw Materials, Packing Materials, Machinery Spares, Ink and Fuel - includes cost of purchases and other costs incurred in bringing the inventories to their present location and condition. However materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on First in First out basis.

Notes forming Part of Consolidated Financial Statements for the year ended 31st March, 2026

→ Finished and Semi - Finished goods – at lower of cost or net realizable value

The cost for the purpose of valuation of Finished and Semi - Finished goods is arrived at on FIFO basis and also Cost of conversion which includes an appropriate share of production overheads based on normal operating capacity and other cost incurred in bringing the inventories to their present location and condition.

→ Scrap - are valued at net realizable value.

1.9.2. Customs duty/GST on Raw materials/ finished goods lying in bonded warehouse is provided for at the applicable rates except where liability to pay duty is transferred to consignee.

1.9.3. Raw materials held for use in production of Finished Goods are written down below Cost , only if, the estimated Cost or Net Realizable Value of Finished Goods will not exceed Net Realizable Value of such Raw Materials.

1.9.4. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the Group. Obsolete, slow moving, surplus and defective stocks are identified at the time of physical verification of stocks and where necessary, provision is made for such stocks.

1.10. Revenue Recognition

1.10.1. Revenue is measured based on the transaction price as specified in the contract with the customer. Sale of goods are recognised when control of goods has transferred based on agreed terms. It excludes taxes or other amounts collected from customers in its capacity as an agent.

The Group derives revenues primarily from sale of products and services. Revenue from sale of goods is recognised net of returns, product expiry claims and discounts at the amount of transaction price.

Revenue is recognized on satisfaction of performance obligations upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Group expects to receive in exchange for those products or services.

To recognize revenues, the Group applies the following five step approach:

- 1) Identify the contract with a customer;
- 2) Identify the performance obligations in the contract;
- 3) Determine the transaction price;
- 4) Allocate the transaction price to the performance obligations in the contract; and
- 5) Recognize revenues when a performance obligation is satisfied.

Performance obligation may be satisfied over time or at a point in time. Performance obligations satisfied over time if any one of the following criteria is met. In such cases, revenue is recognized over time.

- 1) The customer simultaneously receives and consumes the benefits provided by the Group's performance; or
- 2) The Group's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
- 3) The Group's performance does not create an asset with an alternative use to the Group and the Group has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

Notes forming Part of Consolidated Financial Statements for the year ended 31st March, 2026

Revenue from sale of goods includes Goods and Service Tax and is measured at the fair value of the consideration received or receivable (after including fair value allocations related to multiple deliverable and/or linked arrangements), after the deduction of any trade discounts, volume rebates, net of returns, taxes or duties collected on behalf of the government. The Group collects Goods and Services Tax on behalf of the Government and, therefore, it is not an economic benefit flowing to the Group. Hence, it is excluded from revenue.

The Group derives its revenue also from the sale of goods from exports made under CIF terms.

Revenue from Export Sales is recognized based on the satisfaction of performance obligations and transfer of control which generally happens when the goods are shipped at the port of dispatch, in line with Ind AS 115. While the Group arranges freight and insurance as per CIF terms, the transfer of control occurs at the point of shipment, and revenue is recorded accordingly. Freight and insurance costs incurred by the Group are presented separately as a freight outward unless specifically charged to customers.

1.10.2. Claims are recognized on settlement. Export incentives are accounted where there is reasonable assurance that the incentive income will be received and all attached conditions will be complied with.

1.10.3. Interest income is recognized using Effective Interest Rate (EIR) method.

1.10.4. Dividend is recognized when right to receive the income is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of dividend can be measured reliably.

1.11. Employee benefits

1.11.1. Short term employment benefits

Short term employee benefits such as salaries, wages, short-term compensated absences, performance incentives etc., and the expected cost of bonus, ex-gratia are recognized as an expense at an undiscounted amount in the consolidated Statement of Profit and Loss of the year in which the related services are rendered.

1.11.2. Defined Contribution Plans

→ Superannuation :

The Group has Defined Contribution Plan for Post employment benefits in the form of Superannuation Fund for certain class of employees as per the scheme, administered through Life Insurance Corporation (LIC) and Trust which is administered by the Trustees and is charged to revenue every year. Group has no further obligation beyond its contributions.

→ Employee's Family Pension :

The Group has Defined Contribution Plan for Post-employment benefits in the form of family pension for all eligible employees, which is administered by the Regional Provident Fund Commissioner and is charged to revenue every year. Group has no further obligation beyond its monthly contributions.

→ Provident Fund:

The Group has Defined Contribution Plan for Post-employment benefits in the form of Provident Fund for all eligible employees; which is administered by the Regional Provident Fund Commissioner and is charged to revenue every year. Group has no further obligations beyond its monthly contributions.

1.11.3. Defined Benefit Plans

→ **Gratuity :**

The Group has a Defined Benefit Plan for Post-employment benefit in the form of gratuity for all eligible employees which is administered through Life Insurance Corporation (LIC) and a trust which is administered by the trustees. Liability for above defined benefit plan is provided on the basis of actuarial valuation as at the Balance Sheet date, carried out by an independent actuary. The actuarial method used for measuring the liability is the Projected Unit Credit method.

→ **Compensated Absences :**

Liability for Compensated Absences is provided on the basis of valuation, as at the Balance Sheet date, carried out by an independent actuary. The Actuarial valuation method used for measuring the liability is the Projected Unit Credit method. Under this method, the Defined Benefit Obligation is calculated taking into account pattern of availment of leave whilst in service and qualifying salary on the date of availment of leave. In respect of encashment of leave, the Defined Benefit obligation is calculated taking into account all types of the increment, salary growth, attrition rate and qualifying salary projected up to the assumed date of encashment.

1.11.4. Termination Benefits:

Termination benefits are recognised as an expense as and when incurred.

1.11.5. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on Government bonds that have terms approximating to the terms of the related obligation.

1.11.6. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the consolidated Statement of Profit and Loss.

1.11.7. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur directly in Other Comprehensive Income. They are included in retained earnings in the Statement of changes in equity and in the Balance Sheet.

1.11.8. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

1.12. Foreign Currency Transactions

1.12.1. Monetary Items

Transactions in foreign currencies are initially recorded at their respective exchange rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at exchange rates prevailing on the reporting date.

1.12.2. Non – Monetary items:

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

1.13. Government Grants

- 1.13.1. Government grants are recognized at fair value where there is reasonable assurance that the grant will be received and all attached conditions will be complied with.
- 1.13.2. When the grant relates to an expense item, it is recognized in consolidated Statement of Profit and Loss on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed.
- 1.13.3. Government grants relating to Property, Plant and Equipment are presented by deducting the grant from the carrying amount of the asset.

1.14. Provisions, Contingent Liabilities and Contingent Asset

- 1.14.1. Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.
- 1.14.2. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.
- 1.14.3. Contingent liabilities are possible obligations whose existence will only be confirmed by future events not wholly within the control of the Group, or present obligations where it is not probable that an outflow of resources will be required or the amount of the obligation cannot be measured with sufficient reliability.
- 1.14.4. Contingent liabilities are not recognized in the consolidated financial statements but are disclosed unless the possibility of an outflow of economic resources is considered remote.
- 1.14.5. Contingent liabilities disclosed are in respect of items which in each case are above the threshold limit.
- 1.14.6. Contingent assets are neither recognised nor disclosed.
- 1.14.7. Provisions, contingent liabilities, and contingent assets are reviewed at each balance sheet date.

1.15. Fair Value measurement

- 1.15.1. The Group measures certain financial instruments at fair value at each reporting date.
- 1.15.2. Certain accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.
- 1.15.3. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Group has access at that date. The fair value of a liability also reflects its non-performance risk.

Notes forming Part of Consolidated Financial Statements for the year ended 31st March, 2026

- 1.15.4. The best estimate of the fair value of a financial instrument on initial recognition is normally the transaction price – i.e. the fair value of the consideration given or received. If the Group determines that the fair value on initial recognition differs from the transaction price and the fair value is evidenced neither by a quoted price in an active market for an identical asset or liability nor based on a valuation technique that uses only data from observable markets, then the financial instrument is initially measured at fair value, adjusted to defer the difference between the fair value on initial recognition and the transaction price. Subsequently that difference is recognised in consolidated Statement of Profit and Loss on an appropriate basis over the life of the instrument but no later than when the valuation is wholly supported by observable market data or the transaction is closed out.
- 1.15.5. While measuring the fair value of an asset or liability, the Group uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation technique as follows:
- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
 - Level 2: inputs other than quoted prices included in Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)
 - Level 3: inputs for the assets or liability that are not based on observable market data (unobservable inputs)
- 1.15.6. When quoted price in active market for an instrument is available, the Group measures the fair value of the instrument using that price. A market is regarded as active if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.
- 1.15.7. If there is no quoted price in an active market, then the Group uses a valuation techniques that maximise the use of relevant observable inputs and minimise the use of unobservable inputs. The chosen valuation technique incorporates all of the factors that market participants would take into account in pricing a transaction.
- 1.15.8. The Group regularly reviews significant unobservable inputs and valuation adjustments. If the third party information, such as broker quotes or pricing services, is used to measure fair values, then the Group assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified.

1.16. Financial Assets

1.16.1. Initial recognition and measurement

Trade Receivables and debt securities issued are initially recognised when they are originated. All other financial assets are initially recognised when the Group becomes a party to the contractual provisions of the instrument. All financial assets other than those measured subsequently at fair value through profit and loss, are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset.

1.16.2. Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial assets. Based on the business model for managing the financial assets and the contractual cash flow characteristics of the financial asset, the Group classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit and loss.

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

The asset is held within a business model whose objective is :

- To hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the consolidated Statement of Profit and Loss. The losses arising from impairment are recognised in the consolidated Statement of Profit and Loss.

Debt instruments at Fair value through Other Comprehensive Income (FVOCI)

A 'debt instrument' is measured at the fair value through Other Comprehensive Income if both the following conditions are met:

The asset is held within a business model whose objective is achieved by both

- collecting contractual cash flows and selling financial assets and
- contractual terms of the asset give rise on specified dates to cash flows that are SPPI on the principal amount outstanding.

After initial measurement, these assets are subsequently measured at fair value. Interest income under effective interest method, foreign exchange gains and losses and impairment losses are recognised in the consolidated Statement of Profit and Loss. Other net gains and losses are recognised in other comprehensive Income.

Debt instruments at Fair value through Profit or Loss (FVTPL)

Fair Value through Profit or Loss is a residual category for debt instruments. Any debt instrument, which does not

meet the criteria for categorisation at amortised cost or as FVOCI, is classified as FVTPL.

After initial measurement, any fair value changes including any interest income, foreign exchange gain and losses,

impairment losses and other net gains and losses are recognised in the consolidated Statement of Profit and Loss.

Equity investments

All equity investments within the scope of Ind AS 109 are measured at fair value. Such equity instruments which are held for trading are classified as FVTPL. For all other such equity instruments, the Group decides to classify the same either as FVOCI or FVTPL. The Group makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

For equity instruments classified as FVOCI, all fair value changes on the instrument, excluding dividends, are recognized in Other Comprehensive Income (OCI). Dividends on such equity instruments are recognised in the Statement of Profit or Loss.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the consolidated Statement of Profit and Loss.

1.16.3. De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Group's Balance Sheet) when :

- The rights to receive cash flows from the asset have expired, or
- The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the

→ received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:

- The Group has transferred substantially all the risks and rewards of the asset, or
- The Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On de-recognition, any gains or losses on all debt instruments (other than debt instruments measured at FVOCI) and equity instruments (measured at FVTPL) are recognised in the consolidated Statement of Profit and Loss. Gains and losses in respect of debt instruments measured at FVOCI and that are accumulated in OCI are reclassified to profit or loss on de-recognition. Gains or losses on equity instruments measured at FVOCI that are recognised and accumulated in OCI are not reclassified to profit or loss on de-recognition.

1.16.4. Impairment of financial assets

In accordance with Ind AS 109, the Group applies Expected Credit Loss ("ECL") model for measurement and recognition of impairment loss on the financial assets measured at amortised cost and debt instruments measured at FVOCI.

Loss allowances on trade receivables are measured following the 'simplified approach' at an amount equal to the lifetime ECL at each reporting date. The application of simplified approach does not require the Group to track changes in credit risk. Based on the past history and track records the Group has assessed the risk of default by the customer and expects the credit loss to be insignificant. In respect of other financial assets such as debt securities and bank balances, the loss allowance is measured at 12 month ECL only if there is no significant deterioration in the credit risk since initial recognition of the asset or asset is determined to have a low credit risk at the reporting date.

1.17. Financial Liabilities

1.17.1. Initial recognition and measurement

Financial liabilities are initially recognised when the Group becomes a party to the contractual provisions of the instrument.

Financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss, transaction costs that are directly attributable to its acquisition or issue.

1.17.2. Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial liabilities.

Financial Liabilities at Fair Value through Profit or Loss (FVTPL)

A financial liability is classified as at Fair Value through Profit or Loss (FVTPL) if it is classified as held-for-trading or is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and changes therein, including any interest expense, are recognised in consolidated Statement of Profit and Loss.

Notes forming Part of Consolidated Financial Statements for the year ended 31st March, 2026

Financial Liabilities at amortised cost

After initial recognition, financial liabilities other than those which are classified as FVTPL are subsequently measured at amortised cost using the effective interest rate ("EIR") method.

Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The amortisation done using the EIR method is included as finance costs in the consolidated Statement of Profit and Loss.

1.18. Financial guarantees

Financial guarantee contracts issued by the Group are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of the debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the fair value initially recognised less cumulative amortisation.

1.19. Embedded derivatives

If the hybrid contract contains a host that is a financial asset within the scope of Ind AS 109, the classification requirements contained in Ind AS 109 are applied to the entire hybrid contract. Derivatives embedded in all other host contracts, including financial liabilities are accounted for as separate derivatives and recorded at fair value if their economic characteristics and risks are not closely related to those of the host contracts and the host contracts are not held for trading or designated at fair value through profit and loss. These embedded derivatives are measured at fair value with changes in fair value recognised in consolidated Statement of Profit and Loss, unless designated as effective hedging instruments. Reassessment only occurs if there is either a change in the terms of the contract that significantly modifies the cash flows.

1.20. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet, if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

1.21. Taxes on Income

1.21.1. Current Tax

Income-tax Assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, by the end of reporting period.

Current Tax items are recognised in correlation to the underlying transaction either in the consolidated Statement of Profit and Loss, other comprehensive income or directly in equity.

1.21.2. Deferred tax

Deferred tax is provided using the Balance Sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Notes forming Part of Consolidated Financial Statements for the year ended 31st March, 2026

Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date.

Deferred Tax items are recognised in correlation to the underlying transaction either in the consolidated Statement of Profit and Loss, other comprehensive income or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

1.22. Earnings per share

Basic earnings per share are calculated by dividing the profit or loss for the period attributable to equity shareholders (after deducting preference dividends, if any, and attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of all dilutive potential equity shares.

1.23. Cash and Cash equivalents

Cash and cash equivalents in the Balance Sheet include cash at bank, cash, cheque, draft on hand and demand deposits with an original maturity of less than three months, which are subject to an insignificant risk of changes in value.

For the purpose of Statement of Cash Flows, Cash and cash equivalents include cash at bank, cash, cheque and draft on hand. The Group considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

1.24 Prior Period items and Extraordinary items

Prior period items and extraordinary items are separately classified, identified and dealt with as required under Ind AS 8 on 'Accounting Policies, Changes in Accounting Estimates and Errors' as notified under the Companies (Indian Accounting Standards) Rules, 2015

1.25. Cash Flows

Cash flows are reported using the indirect method, where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

The fair values of the financial assets and liabilities are defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Methods and assumptions used to estimate the fair values are consistent with those used for the year ended 31st March, 2025.

The financial instruments are categorized into three levels based on the inputs used to arrive at fair value measurements as described below:

- i) Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.
- ii) Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2. In the case of Derivative contracts, the Group has valued the same using the forward exchange rate as at the reporting date.
- iii) Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

C Calculation of fair values:

Financial assets and liabilities measured at fair value as at Balance Sheet date:

Other financial assets and liabilities:-

- Cash and cash equivalents, trade receivables, other financial assets, trade payables, and other financial liabilities have fair values that approximate to their carrying amounts due to their short-term nature.
- Loans have fair values that approximate to their carrying amounts as it is based on the net present value of the anticipated future cash flows using rates currently available for debt on similar terms, credit risk and remaining maturities.

26 Financial risk management

Risk management framework

The Group's financial risk management is an integral part of how to plan and execute its business strategies. The Group's business activities are exposed to a variety of financial risks, namely liquidity risk, market risks, commodity risk and credit risk. The Group's senior management has the overall responsibility for establishing and governing the Group's risk management framework. The Group's risk management policies are established to identify and analyse the risks faced by the Group, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Audit Committee of the Group.

The Group has exposure to the following risks arising from financial instruments:

- A) Credit risk;
- B) Liquidity risk;
- C) Market risk; and
- D) Interest rate risk
- E) Commodity Risk

A Credit risk

Credit risk is the risk of financial loss to the Group if a customer or counter-party fails to meet its contractual obligations.

Trade and other receivables

The Group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to Rs. 3,140.32 lacs and Rs. 3,192.76 lacs as at March 31, 2026 and March 31, 2025, respectively.

The demographics of the customer and including the default risk of the industry, also has an influence on credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Group grants credit terms in the normal course of business.

Other than trade and other receivables, the Group has no other financial assets that are past due but not impaired.

The Group uses an allowance matrix to measure the expected credit losses of trade receivables.

The loss rates are computed using a 'roll rate' method based on the probability of receivable progressing through successive stages of delinquency to write off.

The following table provides information about the exposure to credit risk and ECLs for trade receivables:

Ageing of Trade receivables		(Rs. Lacs)

B Liquidity risk

Liquidity risk is defined as the risk that the Group will not be able to settle or meet its obligations on time, or at a reasonable price.

Ultimate responsibility for liquidity risk management rests with the Board of Directors, which has built an appropriate liquidity risk management framework for the management of the Group's short, medium and long term funding and liquidity management requirements. The Group manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities.

Exposure to liquidity risk

The following table shows the maturity analysis of the Group's financial liabilities based on contractually agreed undiscounted cash flows as at the Balance Sheet date:

C Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Group's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

The Group operates internationally and portion of the business is transacted in several currencies. Consequently the Group is exposed to foreign exchange risk through its sales and services in overseas and purchases from overseas suppliers in various foreign currencies. Exports of the Group are significantly lower in comparison to its imports.

The Group holds derivative financial instruments such as foreign exchange forward contract to mitigate the risk of changes in exchange rates on foreign currency exposure. The exchange rate between rupee and foreign currency has changed substantially in recent years and may fluctuate substantially in future. Consequently, the results of the Group's operation are adversely affected as the rupee appreciates/ depreciates against these currencies.

The carrying amounts of the Group's foreign currency dominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

Particulars	Liabilities (Foreign currency)		Assets (Foreign currency)	
	As at 31st March, 2026	As at 31st March, 2025	As at 31st March, 2026	As at 31st March, 2025

In Euro (EUR)	207.52	-	-	8.00

Foreign currency sensitivity analysis

The Group is mainly exposed to the currency : USD & EURO

The following table details the Group's sensitivity to a 5% increase and decrease in the Rupee against the relevant foreign currencies. 5% is the sensitivity rate used when reporting foreign currency risk internally to key management personnel and represents management's assessment of the reasonably possible change in foreign exchange rates. This is mainly attributable to the net exposure outstanding on receivables or payables in the Group at the end of the reporting period. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 5% charge in foreign currency rate. A positive number below indicates an increase in the profit or equity where the Rupee strengthens 5% against the relevant currency. For a 5% weakening of the Rupee against the relevant currency, there would be a comparable impact on the profit or equity, and the balances below would be negative.

Impact on profit or loss and total equity

Particulars	USD impact - Amount (Rs. Lacs)	
	As at 31st March, 2026	As at 31st March, 2025
Increase in exchange rate by 5%	15.43	6.45
Decrease in exchange rate by 5%	(15.43)	(6.45)

The Group, in accordance with its risk management policies and procedures, enters into foreign currency forward contracts to manage its exposure in foreign exchange rate variations. The counter party is generally a bank. These contracts are for a period between one day and one year. The above sensitivity does not include the impact of foreign currency forward contracts which largely mitigate the risk.

D Interest rate risk

There is no material interest risk relating to the Group's financial liabilities which are detailed in note 13.1.

E Commodity Risk

Principal Raw Material for Group's products is variety of plastic polymers which are Derivatives of Crude Oil. Group sources its raw material requirement primarily from US Middle East and Europe. Domestic market prices are also generally remains in sync with international market price scenario.

Volatility in Crude Oil prices, Currency fluctuation of Rupee vis-à-vis other prominent currencies coupled with demand-supply scenario in the world market affect the effective price and availability of polymers for the Group. Group effectively manages with availability of material as well as price volatility through:

1. Widening its sourcing base
2. Appropriate contracts and commitments
3. Well planned procurement & inventory strategy

27 Employee Benefits

[A] Defined contribution plans:

The Group makes Provident Fund and Superannuation Fund contributions to defined contribution plans for qualifying employees. Under the Schemes, the Group is required to contribute a specified percentage of the payroll costs to fund the benefits. The Group recognised Rs. 118.61 Lacs (As at 31st March, 2025: Rs. 102.61 lacs) for Provident Fund contributions and Rs. 62.51 lacs (As at 31st March, 2025 : Rs. 50.05 lacs) for Superannuation Fund contributions in the Statement of Profit and Loss. The contributions payable to these plans by the Group are at rates specified in the rules of the schemes.

[B] Defined benefit plan:

The Employees' gratuity fund scheme managed by LIC of India . is a defined benefit plan. The present value of obligation for gratuity and leave encashment is determined on the basis of Actuarial Valuation Report made at the year end.

The Defined Benefit Plan for Post-employment benefit of Contract Employees in the form of gratuity is unfunded and not included in the below table and not covered by Group Gratuity Policy of LIC.

i) On normal retirement / early retirement / withdrawal / resignation: As per the provisions of Payment of Gratuity Act, 1972 with vesting period of 5 years of service.

ii) On death in service: As per the provisions of Payment of Gratuity Act, 1972 without any vesting period.

These plans typically expose the Group to actuarial risks such as : investment risk , interest risk , longevity risk and salary risk.

Investment risk:

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create plan deficit.

Interest risk:

A decrease in the bond interest rate will increase the plan liability; however, this will be partially off set by an increase in the plan assets.

Longevity risk:

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk:

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

The following table sets out the status of the gratuity plan and the amounts recognized in the Group's financial statements as at 31st March, 2025.

Sum of years 11 and above	585.85	551.18

j) Sensitivity analysis

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate and expected salary increase. The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

Particulars	(Rs. Lacs)	
	31st March, 2026	31st March, 2025
Projected Benefit Obligation on Current Assumptions	758.83	731.85
Delta Effect of +1% Change in Rate of Discounting	(46.83)	(49.45)
Delta Effect of -1% Change in Rate of Discounting	52.60	55.82
Delta Effect of +1% Change in Rate of Salary Increase	42.37	45.87
Delta Effect of -1% Change in Rate of Salary Increase	(39.84)	(43.11)
Delta Effect of +1% Change in Rate of Employee Turnover	2.08	0.27
Delta Effect of -1% Change in Rate of Employee Turnover	(2.33)	(0.30)

Although the analysis does not take account of the full distribution of cash flows expected under the plan, it does provide an approximation of the sensitivity of the assumptions shown.

Based on the actuarial valuation obtained in this respect, the following table sets out the status of the gratuity plan and the amounts recognised in the Group's financial statements as at balance sheet date:

	Note No.	(Rs. Lacs)	
		As at 31st March, 2026	As at 31st March, 2025

k) General Assumptions

(i) Leave Policy:

Leave balance as at the valuation date and each subsequent year following the valuation date to the extent not availed by the employee accumulated up to 31 March 2026 is available for encashment on separation from the Group up to a maximum of 90 days.

(ii) The assumption of future salary increases, considered in actuarial valuations, takes account of inflation, seniority, promotion, supply and demand and other relevant factors.

(iii) Liability on account of long term absences has been actuarially valued as per Projected Unit Credit Method.

(iv) Short term compensated absences have been provided on actual basis.

30 Segment information :

The Group's sole business segment is Plastic Films and all activities of the Group are incidental to this sole business segment. Considering the nature of business, products, production processes, customer profile and the manner in which business operations are managed and reviewed by the Chief Operating Decision Maker (CODM), the management has concluded that the Group operates in a single reportable segment in accordance with the requirements of IND AS 108.

The Group services its domestic and export markets from India only and accordingly, the financial statements reflect the information required under Ind AS 108 for the single reportable segment of Plastic Films. The whole of the business assets are situated in India.

32 The Group has imported Plant and Machineries under Export Promotion Capital Goods Scheme (EPCG) without payment of Custom Duty. In the event of non-fulfilment of export obligations as specified, the Group may be held liable to pay custom duty of Nil (Previous year Rs. 269.74 lacs) in terms of the said Scheme. As on 31st March 2026 Group is not in any default under the Scheme.

33 The Company prior to it being listed had issued Bonus shares on 29th June, 1994 for Rs. 100 lacs (10,00,000 equity shares of Rs. 10/- each) by capitalising part of its revaluation reserve. Accordingly, the paid up equity share capital of the company stands increased by Rs. 100 lacs and the revaluation reserve stands reduced by that amount. The issue of bonus shares as aforesaid is contrary to the circular issued by the Department of Company Affairs issued in September, 1994 and the recommendations of the Institute of Chartered Accountants of India issued in November, 1994. However, the Hon'ble Supreme Court in the decision in the case of Bhagwati Developers Vs Peerless General Finance & Investment Co. & others (2005) Comp LJ 377 (SC) has held that there is no specific bar under the Companies Act for issue of Bonus Shares out of Revaluation Reserve and that the Department's Communique was advisory in nature, without any mandatory effect. The Management is therefore of the opinion that both according to the accounting principles and provisions of Company Law, the Company was justified in capitalizing its Revaluation Reserve.

34 The Amalgamating Company, Kunal Plastic Private Limited had accepted unsecured loans from the Directors, Members and Relatives as promoters margin as per stipulation of lending institution which did not fall within the definition of "Deposits" as stipulated in Companies Act, 2013. As per the Clause (xiii) of Regulation 2(1)(c) of the Companies (Acceptance of Deposits Rules), 2014, Deposits do not include any amount brought in by the promoters of the company by way of unsecured loan in pursuance of the stipulation of any lending financial institution or a bank. The Company has repaid the unsecured loans during the previous year.

The Board of Directors of the Company at its meeting held on December 14, 2024 had approved the Scheme of Amalgamation ("the Scheme") of Kunal Plastics Private Limited ("Transferor Company") with the Company ("Transferee Company") from April 1, 2025 (Appointed Date). Application seeking approval of the Scheme was subsequently filed with Hon'ble National Company Law Tribunal (NCLT), Ahmedabad Bench on December 09, 2025.

On May 14, 2026 the NCLT has sanctioned the Scheme, with appointed date as April 1, 2025 and on May 27, 2026 the Company has received certified true copy of the said order. The Scheme is effective from May 28, 2026 i.e. upon filing the same with Registrar of Companies, Ahmedabad, by both the companies.

As per the requirements of Appendix C to Ind AS 103 "Business Combination", the merger has been given effect to as if it had occurred from the beginning of the preceding period (i.e. April 1, 2025) in the standalone financial results. The revision of the standalone financial results of the previous periods / years have been carried out solely for the impact of above referred scheme of Amalgamation and no additional adjustments have been carried out for any other events.

As per the Scheme, all assets and liabilities of Kunal Plastic Private Limited as at appointed date (i.e. April 1, 2025) have been recorded at their carrying values determined in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS) prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies to the extent applicable. The difference being the excess of net assets value after eliminating inter-company balances and equity share allotted is Debited to Amalgamation Adjustment Reserve. As per Appendix C of Ind AS 103 "Business Combinations", the financial information in the Consolidated financial statements in respect of prior periods is restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination. Accordingly, business combination is accounted with effect from April 1, 2025.

In accordance with the Scheme, the Company has taken over following assets, liabilities and other equity (before intercompany eliminations) at their respective book values against capital issuance of Rs. 130.00 Lacs to the shareholders of transferor company as at the appointed date and resultant loss of Rs. 105.91 Lacs has been debited to amalgamation adjustment reserve.
